#### Article IV

Sec.2 Directors. The Board of Directors shall consist of sixteen members, including the President, the First and Second Vice-President, the Secretary-Treasurer, the immediate predecessor of the President, and eleven directors. The directors shall be elected by official mail ballot as follows: Fifteen directors shall be elected from the list of nominees from the seven Iowa Congressional Districts, as now constituted. No district may elect less than one, if nominated, or more than three. The nominees will be divided by districts, according to residency, and those receiving the highest number of votes will be elected. The President shall call for nominations four months before the date of the annual meeting. Any member in good standing may be nominated by a fellow member, and such nominations should be sent to the Second Vice-President. Nominations will be open for a period of forty-five to sixty days, as set by the President. When nominations close, the complete list of nominees will be given to the Secretary, who shall have printed serial-numbered ballots prepared and mail same to the membership thirty days before the annual meeting. Only these official ballots will be accepted in voting. All ballots received must be kept by the election committee for a period of sixty days pending any disagreement.

Sec.4 Take out sentence referring to numismatic dealings.

#### Article V

Sec.4-A. Require that the report of the Secretary-Treasurer cover the twelve months ending August 31 of each year.

(These amendments must be approved by a two-thirds majority vote and then deferred for final action at the next regular meeting, when a majority vote will be sufficient to adopt.)

To Members Of Iowa Numismatic Assoc'n:

The Cedar Rapids Stamp Society and Cedar Rapids Coin Society are planning a combined Exhibition at Cedar Rapids Sept. 23rd and 24th. They have invited the Iowa Numismatic Association to meet with them, enjoy the exhibition and have free use of the Convention facilities for holding our business meetings.

As you perhaps know, the affairs of our Association have not been very active for the past year. The elected president, Lester Wright of Davenport was transferred by his company to Kansas City and thus had to resign as our President. The meeting held at Ottumwa was not well attended and was disappointing to the dealers present as well as to the membership. Then no call was apparently issued for a meeting last Fall, consequently none was held.

The problem confronting us at present is: Shall we hold our next business meeting at Cedar Rapids without convention expense to us, giving the members present a chance to decide whether we shall elect an entire set of new officers and bring back to active participation in Numismatic affairs what was at one time the largest state coin association; or whether, by indifference to the present situation, we allow the work of the pioneers in our society to go for naught, and surrender the favorable prestige we once enjoyed.

We have always believed a real collector of stamps, coins, or any similar line owes a certain obligation to the hobby as a whole, and in supporting it with his dues and attendance at its meetings he not only makes it possible to meet his fellow collectors in a few days of enjoyment and real fellowship, but, at the same time insures a greater stability to his collection. Anyone who has attended hobby conventions will vouch for the real benefits derived.

Do you want the Iowa Numismatic Association to continue and once again take its place as one of the best? It will take so little effort for each of us, but collectively we can do what we plan to do. Can we depend on you to be present at the Hotel Montrose at Cedar Rapids on Sept. 23rd & 24th? Let's not let the work of years be lost because of our indifference. Please write at once if you will plan to attend.

Send your letter for hotel reservations directly to the Hotel Montrose. Save September 23rd and 24th for this all-important meeting....it would be fine if the coin collecting fraternity, and sorority could gather on the 22nd and talk over old times and renew old friendships.

Now about the conditions of the convention. The Cedar Rapids Stamp & Coin Club make a flat charge of 50¢ per display case, banquet and registration fee will be only \$2.50, the banquet is to be held Saturday Night, September 23rd. The opening business session of the Iowa Numismatic Association will be on Sunday morning at 11:00.....it is essential for the continued existence of the Association that a new slate of officers be elected.....show your support of your hobby by your presence.

MAKE YOUR RESERVATIONS NOW.....PLAN TO ATTEND.....HELP THE I.N.A. TO REVIVE.....HELP YOUR HOBBY TO EXPAND AND GIVE YOU ENJOYMENT.....AS A HOBBY SHOULD.

Send any letters of comment to Mr. D.N. Green, Secretary of I.N.A. DO NOT SEND YOUR HOTEL RESERVATIONS TO MR. GREEN.

IT IS LATER THAN YOU THINK!!! Bill Nye once said, "Enjoy life while you live for you will be a long time dead."

## Coin Collection at Iowa Numismatic Meet In Davenport Is Attracting Big Crowds

1952

A throng of curious Davenporters turned up at Hotel Blackhawk Saturday afternoon and evening to view the various displays of old coins and medals of the Iowa Numismatic association. Some 150 members attending the two-day meet were on hand to direct the visitors.

One of the interesting displays was that of Mr. and Mrs. C. David Pierce, Ottumwa, Ia. Collectors for 22 years, the Pierces specialize in United States gold coins, and some of the rarest in their collection are proofs of 20s and 80s which run in value from \$400 to \$1,500 per coin.

Also of great interest were the freak coins and bills, such as a penny pressed in 1951 without Lincoln's collar showing, dollar bills perfect on one side but turned over displaying a lopsided border, and the "runny nose" coins showing a perforation of metal around the face of the respective portrait. The Lewis Reagan collection showed the only coins with the portraits of Hitler and Mussolini, and a feature attraction were the earliest American coin structures dated 1536 and 1556.

Following a banquet Saturday night members heard an address by Lewis M. Reagan, general secretary of the American Numismatic association, and were entertained by Earl Schnoor, magician.

This morning at 10, new officers will be elected, followed by an auction of old coins which will enable

members to fill in dated coins needed for their respective collections.

The Tri-City Coin club headed by Albert F. Block is host to the party.

**CAMPAIGN PIECE**—Mr. and Mrs. C. David Pierce, Ottumwa, exhibitors at the Iowa Numismatic association convention, are shown with two outstanding coins from their 1952 prize winning collection. Mrs. Pierce is comparing a huge replica of a dollar piece used as a badge during the Bryan presidential campaign, with an actual dollar coin pattern used during that time, held by Pierce. ## Davenport's Dandy Coin Convention

### 63 ATTEND BANQUET

The Iowa Numismatic Association, with the help from coin collectors in Arizona, Illinois, Kansas, and Ohio, and this paper, staged a wonderful convention in Davenport, September 27th and 28th.

It was recalled at the banquet by Mr. Reagan, that fifteen years ago, with the help of Mr. Henry Ripstra, Chicago, and Mr. Leon Belt, Waterloo, the Iowa Numismatic Association was organized. It was the first state-wide coin club ever formed. Today there are about twenty. The Iowa club meets twice a year and offers its members a huge display of rare gems, numerous bourse tables, and a delightful banquet. The spring convention will be held in Iowa City, Iowa.

The busy Burton's of Columbus, Ohio, paused briefly at their bourse table at Davenport, Iowa for this picture. Left to right standing are, Fred Burton, professional coin collector, Columbus, Ohio, Roy C. Lawrence, Anamosa, Iowa, Editor of this paper, and Oscar D. Fulton, J. J. Jackson, Arizona. Seated facing camera is Mrs. Fred Burton, Columbus, Ohio, John R. Spiney, New Windsor, Ill., Warren Smull, Durand, Iowa, and Connie Anderson, Cambridge, Illinois, collectors. The Burton's displayed numerous gold coins and many others at bargain prices. When Mr. Burton was fifteen years old, his uncles who were in the printing business, prepared some "flashy" stationery, stating he was a coin dealer. Fred wrote the Columbus newspapers if any one inquired about old coins to refer such inquiries to him. Mail soon came, offering a collection of old half dollars. He appraised them as being worth 55c each, and they figured \$15.00. With the financial assistance of an aunt, he acquired them. He has been in business ever since.

Old currency, Confederate \$500 bills, were on display Sept. 27th-28th, at the Davenport, Iowa coin convention. Numismatists holding these old gems, left to right are Mr. and Mrs. F. W. Burton, Columbus, Ohio, Mrs. Elizabeth Laurent, Clinton, Iowa, and Mr. J. R. Luckins 732 Brady St., Davenport, Iowa.

JUN 8 - 1952

St. Kingsley Co.

Waterloo, Iowa.

June 7, 1952.

Dear Mr. Saxton:

Thanks for your letter regarding Convention Bulletin. It was especially nice of you to take the time to write me.

Regarding convention expense--we had our regular club meeting Thursday evening and were told by our finance chairman that we were considerably better than \$40.00 to the good but a few bills such as late long distance calls were not in. I know they expect to make at least \$40.00 because they voted to split that amount with the INA and at that meeting handed me \$20.00, which I thought very fair. I have written both Mr. Altman and Mr. Radke regarding this gift to INA.

The club still has some 300 sets of wooden nickels on which we will realize some money but they will be sold at greatly reduced price and, of course, will be a long drawn out affair but in the end the club will have realized a nice sum from this source.

I believe Cliff Stensbol is writing you to find out if we should pay any other expenses of Capt Dodson. The club took care of the hotel bill which was \$16.00.

Now, here is a matter about which I wanted to write both you and Kegin Bros. We want an outside opinion as the club members are pretty well divided in their thought on the matter.

We had a letter from Lawrence Bros., in which they stated it was quite all right for us to deduct 10% commission on material sold at auction but on the lots they bid in themselves, they felt no fee should be charged.

Lawrence Bros., had no reserve on their lots and at the meeting Thursday it was voted to deduct some \$16.00 from their proceeds-- I believe \$8.46 was for lots bid in by them. In the meantime we were to get an opinion or two from people outside the club and at our next meeting it would be definitely decided whether we would return the \$8.46 to them.

It has always been our understanding that commission was to be paid on any lots sold, including those bid in by owners. In fact, several other people who bid in their own lots, have paid, and raised no question whatsoever about it. On the other hand you will notice from the heading on our auction lists that no mention was made of this. We used the same heading that appeared on the Cedar Rapids auction list and perhaps we did slip up in this respect.

Please understand, there will be no trouble in our club over this. All members agree that Lawrence Bros., owe the \$8.46 but some are willing to let them off while others think it should be kept on a strictly business basis.

If you do not wish to be drawn into this, please feel free to say so, but if you would care to give us the benefit of your opinion, it would be very much appreciated.

We all want to be fair about this but I, for one, am of the opinion that no exceptions should be made.

By the way, going back to INA business, I have written Mrs. Bohler regarding the funds, but so far haven't had a reply. Before too long we are going to have to do something about it. I have the bill for the flowers for the Laurent funeral and the mimeographing bill, etc. These shouldn't be allowed to run too long. Now, someone may be working on this as I had a letter from Mr. Radke asking if I had heard anything about it.

No other news except I think Cliff will be writing you about Capt Dodson.

Cordially,

Mr. Burton Saxton,  
Cedar Rapids, Iowa,  
Dear Mr. Saxton:

It seems the I. N. A. has had more than its share of bad luck in the last few years, and now we get another jolt. Friday night Paul Kagin phoned me he had just talked with Mrs. Dave Pierce, who told him Dave had hurt his back again and was in a brace or cast in the Ottumwa Hospital. Dave wanted Kagin to inform me he would be unable to make any arrangements whatever for the Spring meeting we were supposed to hold at Iowa City, or take any part in it. Dave had previously agreed to make all the necessary arrangements and I was counting on him. I understand there is no coin club at Iowa City..In fact I do not know the name of any coin collector there. It was my understanding that in selecting a place like Iowa City for the first meeting of the year it was to possibly create enough interest there so a local club might be started. The trouble as I see it in only a one-day meeting is that few dealers would be interested in coming. No banquet could be held. No election is to be held. Consequently many of the regular attendants would hesitate to make the trip for just a few hours stay, and with little time to visit with old friends, which is one reason some of us like to attend. Naturally, only a small exhibit (if any ) could be expected.

Now the question is, what is the best thing for us to do? Would you be willing to take over the task Dave was planning on doing? Do you think it would be better to contact the officials of some coin club in some other city and ask them to take the Spring meeting? (The objections regarding travel and briefness of the meeting would still hold good,) and probably on a one-day meeting fewer would go to Cedar Rapids—for instance— than to Iowa City as the latter seems more centrally located. Can you suggest any other place where they would take the meeting. So far as I know no place has been suggested for the Fall meeting and it seems advisable to reserve the two larger towns—Cedar Rapids and Davenport for the Fall meeting as we want to have at least one good meeting this year. The club here is none too strong and as we had the meeting two years ago I doubt if we could drum up enough enthusiasm to put it over. The Federated Stamp Clubs of Iowa are having a one-day meeting here on Sunday May 3. Dave did suggest we advance the date of the I. N. A. meeting to occur in April as the meeting of the Central Coin Association occurs on May 1-2-3.

I will appreciate a letter from you at your earliest convenience as I am uncertain as to what would be best under the circumstances. Mrs Laurent left the latter part of January for a trip to California and I do not know whether she has returned. We did have all matters cleaned up, however, at the time she left. If you should think we should call off the Spring meeting and concentrate on the Fall meeting then we should get out a bulletin at once to the members, giving those who might wish to attend the Central meeting a chance to make plans. If you think we should proceed with the Iowa City meeting, then I most sincerely hope you will help me out by taking over Dave's job. Awaiting your reply, I am,

Very truly,

Chas. J. Altman

IOWA NUMISMATIC ASSOCIATION.**

Mr. Burton W. Saxton,  
P.O. Box 548,  
Cedar Rapids, Ia.

Dear Mr. Saxton:

David Pierce of Ottumwa who had been named to take charge of the Spring meeting plans of I.N.A. recently had the misfortune of hurting his back and is at present in the Ottumwa Hospital. Needless to say he will be unable to serve us.

A missionary meeting such as we had planned for this Spring would take considerable time and effort on the part of officers and members. Your secretary-treasurer is to be out of the State for six weeks. There are meetings already scheduled for the early part of May (our usual meeting month). Many of our members will be wanting to take part in the Central States Numismatic Society meeting in Chicago May 1-3rd. Others will be taking part in the Federated Stamp Club meeting in Des Moines on Sunday, May 3rd. In consideration of all these facts those officers and members already contacted seem agreed on the fact that it might be wise to cancel the I.N.A. Spring meeting.

Your considered opinion on this is desired. Will you please contact Charles I. Altman, President I.N.A., 2936 Rutland Avenue, Des Moines, Iowa and tell him how you feel on the question?

Should it be agreed that the Spring meeting is to be canceled this year a Bulletin will be issued to acquaint all members with that decision and the reasons why it seemed necessary. Plans can then be started for a real bang-up Fall meeting of the Association in one of our larger Iowa cities. Doubtless we could expect a very much larger attendance at that time.

Please write Mr. Altman at your earliest convenience that he may issue statement for the Bulletin to members.

Numismatically,

*Elizabeth Laurent*

TO THE MEMBERS OF THE IOWA NUMISMATIC ASSOCIATION

Greetings:

At the I. N. A. Convention at Davenport last September, it was decided to hold our Spring meeting at one of the smaller Iowa cities. It was believed that some missionary work could thus be done and possibly a strong local club could be established. With this thought in mind Iowa City was chosen as the place for the experiment, and Dave Pierce of Ottumwa assumed the responsibility for making the necessary arrangements. Recently, however, Dave has had the misfortune to suffer an injury to his back, which will make it impossible for him to take any active part in such arrangements. This circumstance has focused the attention of the officers on several factors which might operate against having the successful meeting we hoped for.

To enumerate some of these, the remaining time for preparation seems very short indeed. The fact the meeting was for only one day and would undoubtedly deter most dealers from going to the expense of attending, considering the short time for customer contacts. This would not be our regular yearly convention and as no election is to be held, many of the regular attendants might be inclined to skip it and attend the larger Central States Convention scheduled for May 1-2-3 in Chicago.

Confronted with these problems your officers, after consultation and careful consideration, have decided it will be for the best interests of the Association to cancel the Spring meeting and concentrate our efforts on a successful Fall meeting. The Cedar Rapids Coin Club has graciously agreed to entertain us for the Fall meeting, and as soon as a definite date is set we will notify you so you can plan accordingly. Our very able secretary, Mrs. Laurent, is in California at the moment but will be back in Iowa the middle of April, and will shortly after issue a Bulletin giving full details.

In the meantime what a fine gesture of appreciation for Mrs. Laurent's efficient handling of the office of secretary, if each member would secure just one new application for membership (with one dollar, of course,) and mail it to her address at Clinton, Iowa, to greet her upon her return. How better could we start planning for the Bigger Meeting next Fall?

Sincerely,

The Officers of I. N. A.

THANKS TO Dave and Dorothy Pierce, members of the Iowa Numismatic Association who answered the convention call enjoyed a most satisfactory meeting at Hotel Ottumwa, November 6th and 7th. The registration numbered 51. Many visitors viewed the coin exhibits, which, considering the convention attendance, were representative. While United States coins, as usual, were more prominent than any other division, both ancient and modern foreigners were in evidence. A fine banquet was served Saturday evening; the coin auctions were conducted by the Hollinbeck Coin Co., Des Moines.

NEW OFFICERS elected at the Sunday morning business session are: President, Burton H. Saxton, Cedar Rapids; 1st Vice President, James F. Cowden, Cedar Rapids; 2nd Vice President, Keith Prizer, Fairfield; Secretary-Treasurer, Elizabeth Laurent, Clinton. Five Directors are: Milton A. Radke, Des Moines; Lauren Benson, Davenport; W.E. Van Hook, Maxwell; James C. Page, Burlington, and Arnold B. Skromme, Ottumwa.

May I add a personal word to our Secretary's Bulletin? Last Friday I drove to Des Moines to attend the final meeting of our host Club prior to the Convention. What I found there was a heart warming situation. They have apparently considered every possible angle of the occasion, based on our experience in the past, both in our I. N. A. Conventions and in others of similar nature. Frankly, I don't believe they have overlooked even the smallest items which could contribute to its success.

They have done this in fine spirit from the start: genuinely anxious that the Convention may fairly be rated as good as the best we have ever held; and, among themselves, promising that it shall be even better. Now, let's give them the support they clearly deserve--a record attendance! From our Secretary's earlier Bulletin: "INVEST THESE TWO DAYS--THE DIVIDENDS ARE CERTAIN AND GENEROUS."

\*

A special word to our surviving CHARTER MEMBERS: If your name is included in the following list, by all means try to be present. We are hoping that, as nearly as possible, we may have virtually the entire group in attendance; and we are completely sincere when we say that your being there will definitely add to the success of the Convention. If it is NOT possible to come, without fail send us a greeting to be read at the proper time in the session.

The Des Moines Coin Club invites you to attend the annual convention of the Iowa Numismatic Association. We are especially proud to invite you to Des Moines, Capital City of Iowa. As the host club we have made every effort to make this an outstanding convention.

The business sessions will be transacted as briefly as possible in order that all of your time may be spent enjoying the exhibits and the friendships of your fellow collectors. In this connection the Des Moines Coin Club will hold its regular monthly meeting at 8:00 p.m., Friday evening, at the Hotel Fort Des Moines. If you can plan to arrive that evening you are cordially invited to attend.

Plan to attend and to bring your family. Also plan to exhibit your own collection if you wish. Exhibit space will be available.

Extends a cordial and urgent invitation to you---

with us the enjoyment always present on these occasions.  
The strong appeal of our mutual interests should be a  
compelling argument for attendance.

The dates: SATURDAY and SUNDAY, OCTOBER 17th & 18th. -1953

This is the FIFTEENTH ANNIVERSARY YEAR of the Association,  
having been organized in 1938; and while it still has some  
little distance to travel--a mere 85 years--before it reaches  
its Centennial, it has made a recognized place for itself  
among other similar state Associations in the U. S.

OUR HEADQUARTERS will be at the Montrose Hotel, and the man-  
agement has pledged its utmost cooperation to make this a  
successful and delightful occasion. Room reservations should  
be made early, and direct with the hotel.

SATURDAY FORENOON (from 9 o'clock) will be devoted to reg-  
istrations and placing exhibits; the afternoon, numismatic  
and social; the evening's program will be centered around  
the banquet in the Crystal Ball Room. (More later.)

REGISTRATION: One Dollar for each individual.

BANQUET: At 6:30. Tickets will be available at \$2.50 each.

The menu has been carefully planned, and we are confident  
the food will have your hearty approval.

OFFICERS' AND MEMBERS' BREAKFAST Sunday morning, 8:30.

ANNUAL BUSINESS MEETING: Promptly at 10 o'clock a.m., Sunday.

EXHIBITS: You are urged to exhibit some part, at least, of  
your collection--perhaps your favorite coins. You will there-  
by directly help to make this important feature of the Con-  
vention a real success. There will be plenty of cases. 1st,  
2nd and 3rd awards will be made at the banquet. The usual  
police protection will be furnished

AUCTION: An unusual plan is proposed for this feature. Instead of an extensive (and expensive) catalogue being issued by, and in formal charge of a dealer, members (only) of the I. N. A. or of affiliated Clubs are invited to submit 10 or more coins of good quality, described and carefully graded, cataloguing not less than 50 cents each. These to be sent or delivered to Gilbert T. French, Secretary of the Cedar Rapids Coin Club, 1290 13th St., Marion, Iowa (Chairman of the Auction Committee), by Saturday, October 10th. Lists will then be prepared and mailed out in advance of the Convention. The Committee may, at its discretion, accept or decline any submitted lot.

On Sunday, following the luncheon hour (to be announced), the floor auction will be held. A commission of 10% will be allowed the I. N. A., such commission to be based on either the sale price, or the bid-in price of the owner, as the case may be. A reserve may be placed on the lot in advance of the auction if desired by the owner, and if no bids are received, of course no commission will be charged. We hope for hearty cooperation in presenting this feature.

ON A NUMBER OF FORMER OCCASIONS, The Cedar Rapids Coin Club has had the privilege of acting as host to these I. N. A. Conventions. Those of you who have attended can have no doubt of our sincere welcome, and of our clear purpose to see that our guests are thoroughly enjoying the whole affair. So, mark these two dates on your calendars and make definite plans to be with us. We believe you will find the time spent to be a good investment. Our slogan is

EVERYTHING EXTREMELY FINE--PLUS.

Another Bulletin with more details will reach you soon.

On behalf of the entire membership  
of the Cedar Rapids Coin Club,

BURTON H. SAXTON, President.

# Value Coin Collections At \$100,000

By Lulu Mae Coe

Des Moines today is entertaining men and women who have a hobby of buying money.

They put it under glass, sometimes in a velvet setting, and keep it in a vault, except for some brief journey once or twice a year.

These money lovers are Iowa's numismatists—people who know all about aged coins, tokens, medals and paper money. They will close their association meeting today at Hotel Fort Des Moines.

Harold E. Baker, Des Moines, club president, said Saturday the 50 or more exhibits have a "conservative" value of \$100,000.

Baker said that people are madly collecting Lincoln-head cents — never say pennies to a collector.

## "Start as Kids"

"Most people start collecting them as kids and just keep on," Baker said.

He added that sets of "nice uncirculated, unscratched" Lincoln cents, one of every year and mint mark, "have a real value."

On display is a Lincoln-head cent of 1909, the first cent to have "In God We Trust" engraved on it. The coin is part of a Lincoln exhibit.

William Fisher of Rolfe, displaying types of notes, said his big old-fashioned paper money is legal tender. The government has piles of silver dollars or gold to pay off its obligation at face values.

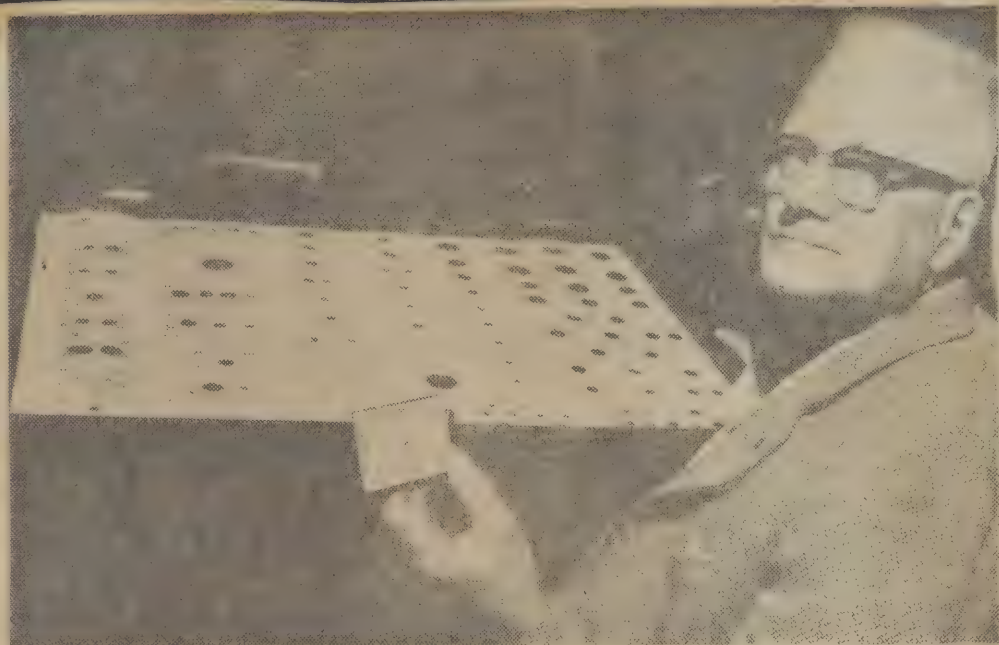

However, in common with other collectors, Fisher said he values more the money on hand than its currency equivalent.

## Lazy 2 Bill

Fisher's exhibit includes the famous Lazy 2—a bill with the large figure reclining horizontally. Part of the 1865 series, Fisher said it is probably one of the hardest series of notes to find in uncirculated condition.

Another of his notes — a series issued in the early '90s — is a coin note, payable only in coin.

THE SMARTEST COIN COLLECTORS SOME TIMES MISSES THE BARGAINS, AT THIS CONVENTION IN 1955, CALIFORNIA DEALERS SOLD 1955-S CENTS FOR 65 CENTS A ROLL.

## DISPLAYS SMALL COIN

J. Mortimer Pugh of Austin, Minn., exhibiting at the Iowa Numismatic Association convention that opened here Saturday at the Hotel Fort Des Moines, holds what he says is one of the smallest coins ever made. It's a gold 1/32 of a ducat, minted in Regensburg, Germany, about 1700. It is in center of a special plastic container. Pugh uses similar containers for his other gold coins in display case.

One display is of depression scrip issued by various Iowa sources in the '30s.

Another Iowan has 12 frames of Iowa's paper currency—not legal tender today.

He said the territorial and state legislatures forbade banks to issue state currency—but the Miners' Bank of Dubuque was an exception. He has paper money issued by this bank, first chartered in 1836 by the Territory of Wisconsin.

## Rare Currency

He spoke of the rarity of his State Bank of Iowa currency, most of which was called in and destroyed nearly a century ago. Currency for these banks, private institutions operating under legislative authority, was issued centrally and the banker wrote in its name.

One "collector" is showing a satirical numismatic collection—the substitutes for coins taken from Algona parking meters.

J. Martinez Pugh, Austin, Minn., is showing a \$4 gold piece that now may be worth \$1,500 to \$2,000. "A gem coin," exclaimed Baker.

Only 400 were minted as "promotion" to authorize such a coin and were distributed to congressmen. This "Gold Stella" is part of an 1878-79 minting.

## 'Hard to Tell Coin's Value'

J. Mortimer Pugh of Austin, Minn., one of 500 coin collectors here Saturday for the Iowa Numismatic Association convention, has 9,000 coins he has collected.

But he says he doesn't know how much they're worth—in total or separately.

A coin's value, he explains, depends on how much someone is willing to pay for it.

"Some of my coins may be worth \$1 to one fellow, \$1,000 to another. It's hard to tell."

450 B. C.

Pugh, a sausage department employee for the George A. Hormel Packing Co. in Austin, uses his vacation time to travel to coin collectors conventions. He's here to show his ancient and foreign coins, which include Greek coins dating back to 450 B. C.

Pugh says that among his 9,000 coins are complete collections of all types of coins minted by the United States and several foreign countries.

He also has a Syrian silver tetradrachm, or shekel — the type Judas received for betraying Jesus.

September 1956 -- Tri-Cities

CONVENTION PLANS for the two day meeting to be held October 13th and 14th at the Blackhawk Hotel, Davenport, are nearing completion. Our hosts, the Tri-Cities Coin Club, express the hope, shared by your officers, that all I.N.A. members who possibly can will attend. Double reply cards will be mailed soon, asking for advance information on your attendance plans. Those who have worked on convention committees know what a great help such information is, and all are asked to cooperate.

IMPORTANT MATTERS will come before the Sunday business session, and again, cooperation is urged. Decisions should reflect the thinking of the entire membership. The usual election of officers will be held as well, and a new President and Secretary-Treasurer must be chosen.

EXTREMELY LOW registration fee of \$3.00 inclusive of banquet ticket, will be charged. Those unable to attend the banquet will pay a \$1.00 fee for all other convention privileges.

COIN EXHIBITORS should write Leo E. Coyne, 1611 14th Street, Rock Island, Ill., informing him of type of exhibit planned and number of cases needed. The twenty new coin cases recently purchased will be used for the first time; these will be supplimented, of course, with our older cases, as may be found necessary. The usual ribbon awards will be given in various classifications, winners to be announced at the Saturday evening banquet.

COIN AUCTION will be in charge of Mike Kolman, Federal Coin Exchange, Cleveland, Ohio, who conducted the auction at the Des Moines convention. Admission will be restricted to those registered for the convention. Auction catalogues have been prepared by Mr. Kolman and a copy will be sent each I.N.A. member previous to the convention dates.

BOURSE TABLES have been reserved by a satisfactory number of dealers who promise a good selection of sale material. Further reservations may be arranged by writing Lauren Benson, 2526 Middle Road, Davenport, Iowa.

HOTEL RESERVATIONS should be made soon, direct with the hotel. Blackhawk rates follow: Single with bath \$5.00 to \$9.50; Double with bath \$7.00 to \$12.50; Double double (4) \$14.50; Twin beds double \$8.50 to \$13.50; Single without bath \$4.50; Double without bath \$5.00.

NEW MEMBERS we hope to greet at the October meeting include: Dr. Frank J. Vermeulen, 2601 12th St., Moline, Ill.; Garry F. ### 1956 I.N.A. CONVENTION IS PAST HISTORY

I was fortunate to be able to attend one day of the I.N.A. Convention and that was Sat. October 13th. Had a most enjoyable time, greeting old friends and meeting new friends. The convention had a nice crowd, and the Tri City Coin Club did a great job of being host to the I.N.A. Convention.

There were nineteen bourse tables which did a lively business, and a very interesting display of coins, medals, and currency. In fact they had quite an extensive collection of currency.

The auction was conducted by Michael Kolman, Jr. of the Federal Coin Exchange.

Harold E. Baker, 1104 - 45th Street, Des Moines, Iowa was elected president. (Congratulations Harold, we all know you will build a greater I.N.A. that we members will be proud of.)

Had a very interesting chat with Dave Pierce, Harold Baker, and La Verne Paschall over a cup of coffee. Do feel that Dave and Harold should work further on their ideas in helping local coin clubs to become more interesting in order to build larger memberships and hold the present members in the coin clubs. Also build up the I.N.A. Membership.

### Harold E. Baker Heads Iowa Coin Collectors

Mr. Harold E. Baker was selected Sunday, October 14th, at the Iowa annual Coin Collectors convention to be their president during the coming year. His home is at Des Moines. There were 186 collectors in attendance.

Proof sets were in great demand, and a wonderful collection of uncirculated Indian head cents changed hands. There were twenty-three dealers with big bourse tables, and business was brisk.

The convention was held at Davenport, Iowa.

LOT NO.	DESCRIPTION
298. 1856	Flying Eagle Pattern AW 208 (8-10 issued), Proof, with the common variety selling for over \$700.00, this coin should easily bring \$750.00. (750.00)
299. 1794	Half-Dime, Very Fine, but holed and plugged, an expert re-tooling job would enhance the value of this scarce type coin, even in this condition should be easily worth \$70.00. (70.00)
300. 1798/97	Dime in about fine condition, of extreme scarcity and definitely not offered frequently, this coin is not even priced in the current catalogues. Has a few rim nicks but still an unusual coin and well worth the value of \$500.00. (500.00)
301. 1797	Half-Dollar, in Very Good to Fine condition, mostly fine, nice evenly struck specimen, very important as a type coin, missing in most collections because it is not available, valued at \$575.00. (575.00)
302. 1794	\$1.00, Very Fine and sharp, First year of issue. Beautiful steel blue patina, sharply and evenly struck. Free of the usual file marks, however, has been expertly retooled on the reverse outer edge, still a most desirable and rare coin and valued at \$2,000.00. (2,000.00)
303. 1795	\$1.00 type of 94, 3 leaves, Fine to Very Fine (\$60.00)

305. 1859	Proof set in rosewood box lined with deep blue velvet, all coins uncleaned proofs, the \$1.00 has a slight impairment in the field of the obverse, light hair lines; the 50¢ and 25¢ each have very light hair lines, the 10¢, half-dime, 3¢ silver and the Indian copper-nickel cent and gems, it is impossible to estimate the value of these proofs, the dealers have been paying as high as 50% over the Eleventh Edition Guide Book, in a case and a matched set should bring even more, 7 pieces. (350.00)

**RARE GOLD PROOFS!!**

NOTE:—Please bear in mind that "Gem" proof coins in any metal are practically impossible to come by, there are some, we have some in the preceeding lots of this sale, however, gold proofs, because of the nature of the metal in which these coins are struck, is, perhaps, more easily "hair-lined" than any other metal. When we say "hair-lined", it is just that, all scratches or nicks are noted, and accounted for.

915. 1875 \$2.50 Proof, a total of only 420 coins struck, of which 20 of these were in proof, this coin has light hair-lines on the obverse and reverse, still and all a choice and rare coin, \$425.00 at last sale.  
 916. 1878 \$2.50 Proof, only 20 struck in proof, this coin has a spot of color at lower right hand side of obverse, and very microscopic hair-lines, \$175.00  
 917. 1891 \$2.50 Proof, 80 struck in proof, very light hair-line on obverse and reverse, otherwise a dandy, \$137.50  
 918. 1900 \$2.50 Proof, 205 struck in proof, still a little tough to find choice, light hair-lines but still worth \$92.50.  
 919. 1902 \$2.50 Proof, only 193 of these struck in proof, a little harder to find and again we have light hair lines, \$92.50.  
 920. 1905 \$2.50, Proof, only 144 of these available in proof, however, this coin was struck in proof and then some

## LOT NO.

## DESCRIPTION

- "helper" polished both obverse and reverse still beautiful but not as nice as the foregoing coins, still worth \$65.00.
921. 1870 \$3.00 Proof, only 35 struck in proof and mighty hard to come by with any proof finish left, this coin has "it" and also very minor hair-lines, \$225.00.
922. 1876 \$3.00 Proof, only 45 struck of all kinds, this is a real rarity and hard to find in any condition, this is a nice proof with hardly noticeable hair-lines, this coin has been sold at private sale in 1957 for over \$1,100.00!
923. 1880 \$3.00 Proof, not as rare as No. 922, because they struck 36 of these in proof and 1000 for regular issue, altogether a tough date in any condition, obverse shows very light friction, reverse perfect, a real "sleeper" at \$275.00.
924. 1861 \$5.00 Proof, a gem coin, who can say how rare this one is, I know of only one private sale in 1953 and at that time this coin sold for \$276.00, a gem coin in every respect.
925. 1880 \$5.00 Proof, only 36 struck in proof, badly under priced and very difficult to find in proof, should bring \$245.00, a gem.
926. 1882 \$5.00 Proof, another gem with only 40 struck in proof, how often are these coins offered and how rare are they, try to buy some from your favorite dealer and see how you come out, this gem is easily worth \$235.00.
927. 1903 \$5.00 Proof, there were 108 of these struck in proof, however, this coin has field scratches and has been impaired by bad handling, still worth \$125.00.
928. 1888 \$20.00 Proof, 102 of these available in proof, this coin has hair-lines and a small scratch on the cheek on the obverse, the reverse is gem however, this should bring at least \$725.00.
929. 1888 \$20.00 Proof, same date as above, however, the condition is much better on this coin, very near gem class and well worth a bid of \$775.00 at least.
930. 1889 \$20.00 Proof, only 41 of these in proof, when was the last time you saw one offered . . . don't you wish you had bought it then, well, this coin has light hair-lines on the obverse and a gem reverse very near as nice as the day it left the mint and worth your bid of \$800.00.
931. 1891 \$20.00 Proof, only 52 of these available, if you can find them, this coin has a very small scratch on the obverse and a gem reverse a dealer has tried to buy this coin at private sale for \$675.00 and been refused because the coin is worth at least \$825.00.
932. 1895 \$20.00 Proof, only 51 struck, how does this compare with

## LOT NO.

## DESCRIPTION

- the 1895 \$1.00 Proof, of which 880 were struck, this coin is nearly 18 times rarer than the \$1.00 in proof, has light hair-lines and a very small gouge at the date on the obverse and a perfect reverse and worth every bit of \$725.00.
933. 1896 \$20.00 Proof, 128 proof made, obverse shows very slight friction on the face, the reverse is strictly OK, and well worth \$700.00.
934. 1898 \$20.00 Proof, this is a real trophy, only 75 struck in proof; this coin has a field scratch and a light scratch on the face, the reverse also has very light scratch, however it is still a dandy and should go for about \$725.00.
935. 1902 \$20.00 Proof, 114 made, and this one is so near perfect that I will not even offer a comment except to say it should suit the most particular collector and he should be willing to pay at least \$750.00 in order to add it to his collection.
936. 1903 \$20.00 Proof, only 158 struck in proof and I offer the same comment as the above Lot No. 935, certainly a good buy.
937. 1906 \$20.00 Proof, only 94 of these made, however, this is the only coin in the entire section of proof gold that I need to apologize for, this coin has many field scratches on the obverse and reverse and has apparently been with other coins, quite a bit of proof still shows and at normal distance from the eyes still is a very presentable gold proof and well worth the \$450.00 it should bring.

DESCRIPTION

1011. Fr. No. 416 and No. 431, this is a cut and reconstructed sheet of THE FIRST NATIONAL BANK OF PARIS, ILLINOIS, consisting of three No. 416 and one No. 431 crisp and uncirculated, a welcome addition to any fine currency collection, seldom offered and very RARE, should realize at least \$750.00.

1017. Fr. No. 1391 Uncirculated, another and equally as nice, same comment.
- N. B. Regarding lots No. 1015, 16, 17, these 1928-F \$2.00 Legal Tender notes with red numbers and seals are becoming increasingly scarce in the singles, as more of the advanced currency collectors become more aware of the rarity of uncut sheets, these will rapidly advance in price, here is a wonderful opportunity, three of these scarce sheets offered at one time. At the Central States Convention, in St. Louis, last April, I know of one private sale of such a sheet that was made to a dealer for \$265.00.
1018. Fr. No. 1392 Uncirculated, mounted in heavy acetate custom holder and should bring at least \$235.00.

**UNCUT SHEET SMALL U. S. SILVER CERTIFICATE,  
18 NOTES TO THE SHEET**

1027. 1935E, Signed by Ivy Baker Priest and Humphrey, very few of the 18 note sheets are available and therefore command a premium comensurate with their rarity, this sheet was purchased a few years back from a collector for \$215.00, this year, in July, the same collector wanted to re-purchase the sheet and offered \$275.00 for it, I believe that it will go for that or more in this sale.

### **GOLD COINS, INCLUDING PROOFS AND UNCIRCULATED**

To interested bidders on Proof Gold . . . the collection of gold proofs which follow, were accumulated during the 1930's and 1940's and were picked from available coins for condition. Hair lines on gold proofs are to be expected in most cases, it is a rare instance when a collector is able to obtain a proof gold coin with little or no hair lines, these coins command a premium far above the price lists now in use. In July of 1957, we conducted a limited gold auction of duplicates which contained only 183 lots, lists were mailed to a selected list of 215 bidders, of all the bids received, there were 21 successful bidders, 19 of these bidders were coin dealers, 2 were prominent collectors, prices realized were a guide to establishing the estimated values that follow. All proof coins are in great demand, gold proofs, by comparison with other proof coins, are still the best buy in the U. S. coin market today.

In placing your bids, think carefully how long it has been since you have even seen any of these coins offered for sale and then remember that the high prices of 1955 are ridiculously low price of 1957 . . . if you really need that coin for your collection, this will probably be

- | LOT NO. | DESCRIPTION   |
|---------|---|
| 298.    | 1856 Flying Eagle Pattern AW 208 (8-10 issued), Proof, with the common variety selling for over \$700.00, this coin should easily bring \$750.00. (750.00) <i>650.00</i>  |
| 299.    | 1794 Half-Dime, Very Fine, but holed and plugged, an expert re-tooling job would enhance the value of this scarce type coin, even in this condition should be easily worth \$70.00. (70.00) <i>28.00</i>  |
| 300.    | 1798/97 Dime in about fine condition, of extreme scarcity and definitely not offered frequently, this coin is not even priced in the current catalogues. Has a few rim nicks but still an unusual coin and well worth the value of \$500.00. (500.00) <i>300.00</i>   |
| 301.    | 1797 Half-Dollar, in Very Good to Fine condition, mostly fine, nice evenly struck specimen, very important as a type coin, missing in most collections because it is not available, valued at \$575.00. (575.00) <i>525.00</i>  |

**THIS IS NO "WOODEN" NICKEL!** — The 1913 Liberty head nickel Don W. Jensen (left) of Humboldt and Harold E. Baker, Des Moines, are examining is no wooden nickel. Enclosed in a special, protective plastic mounting, it's a rare coin valued at \$25,000 by its owner, J. V. McDermott of South Milwaukee, Wis. One of the only five Liberty head nickels struck off in 1913—by mistake—the coin is one of many displays of coins and paper currency at the annual Iowa Numismatic association convention, now in progress on the fourth floor of Hotel Warden here. Baker is president of the Iowa Numismatists and Jensen, a member of the Northwest Iowa Coin club which is playing host to the three-day convention, is the general convention chairman. Exhibits, rare money auctions and other sessions of the convention are open to the public.

## Coin Collectors Elect Officers At Convention

Harold E. Baker, Des Moines, was reelected president of the Iowa Numismatic association during Saturday morning's session of the group's annual convention here. Other officers named during the meeting, at Hotel Warden, are:

Lewis Ferguson, Algona, first vice president; W. E. Van Hook, Maxwell, second vice president; Charles Delk, Des Moines, secretary-treasurer.

Elected directors are Wyard Troja, Fort Madison; Donald Jensen, Humboldt; James Cowden, Cedar Rapids; William Fisher, Rolfe; C. David Pierce, Ottumwa; and Burton Saxton, Cedar Rapids.

Between 300 and 500 Iowa coin collectors and "borderline" enthusiasts are expected to visit the exhibits at the convention before the meeting end Sunday.

Convention headquarters on the fourth floor of Hotel Warden opened Friday morning for registration. The first "bourse"—a meeting where collectors make "exchanges" and discuss topics of mutual interest—opened at 10 a.m. and continued during the day.

**EXHIBITS OF** coin collections, paper currency and other allied collections went on display at 10:30 a.m. in the hotel's Continental ballroom, and are open to the general public.

The numismatists themselves are assessed a small registration fee. Visitors, however, may come to view the displays, watch the exchange of information and collections, and browse around. See, **COLLECTORS**, page 4.

## Collectors--

(Continued from page 1)

The admission is free—and the numismatists might be able to recruit new members from among the more interested on-lookers.

Friday evening rare coins and bills with a total value estimated at "around \$25,000," changed hands in the first of two auction sales scheduled during the convention. The auction, conducted by C. David Pierce of Agency, Iowa, was held in the Fort Dodge room on the main floor of the hotel.

**MOST OF** the bids on items listed in the convention catalog had already been placed in advance, by mail. However oral bidding from the floor was allowed, too. Not a single penny, nickel, dime or dollar lacked a buyer.

The auction sale, also in charge of Pierce, was conducted Saturday afternoon.

Value of all the displays, owned by collectors in all parts of the USA, has been estimated at between \$75,000 and \$100,000 by Don Jensen, Humboldt, general convention chairman.

Visitors who are curious about such numismatist terms as "mint," "proof," "gem," "uncirculated," etc., can get a fairly liberal education, both by looking at the various neatly mounted displays and listening to the conversations about them.

The Northwest Iowa Coin club, of which P. H. Loomer, Fort Dodge, is president, is host to the annual convention. Howard Lockwood of Eagle Grove is vice president of the northwest Iowa group and P. B. Nelson, Fort Dodge, is secretary-treasurer.

W. O. Stearns, Eagle Grove, is in charge of the bourse sessions and exhibits are being managed by W. R. Fisher of Rolfe.

Saturday's convention schedule was climaxed by a 6:30 p.m. banquet in the Continental room.

Both bourse and exhibits reopen at 10:30 Sunday morning and remain open to the public until the convention adjourns at 4 p.m.

# Collectors at Convention Show Rare, Valuable Coins

Two hundred coin collectors from Iowa, Minnesota and other parts of the United States Saturday afternoon in Mason City were buying, selling and swapping coins valued up to \$2,000 each.

The weekend convention of the Iowa Numismatics Assn. opened at the Hotel Hanford Saturday morning with more than 20 dealers from as far away as Los Angeles setting up displays.

Dave Pierce, Ottumwa coin dealer, Saturday afternoon conducted the coin auction.

The displays are open to the public.

**ONE OF THE most valuable** displays is Bill Mertes' collection. He is a collector from Chicago. Mertes values his display at more than \$40,000.

The most valuable coin in Mertes' display is a \$4 gold piece valued at \$2,600. Mertes called that a "low price." This coin, he said, is very rare. It is in perfect mint condition and was minted in 1879.

Mertes' unique item on display is an original roll of \$3 gold pieces minted in 1878 at Philadelphia. It is the only known roll in existence and Mertes described it as "just as it comes from the mint." He values the roll at \$5,000.

**TWO INTERESTING items** in his display are \$20 gold piece watches. These watches would each sell for more than \$700. The watches were made in Switzerland. Each \$20 gold piece was sliced in half. The inside is hollowed out and a small watch, about the size of a nickle, was placed inside. Each watch has a "secret" opening and when closed only close observation can detect that the coin opens.

Mertes said that the Swiss watchmakers can put a watch inside a \$10 gold piece. The watch used has the thickness of a dime, he said. The total cost would be about \$3,000.

Center of attraction in Mertes' display is a Panama-Pacific International Exposition commemorative gold set. This set, sold for \$207 at the San Francisco exposition in 1915, now is valued at \$4,500. It includes two \$50 gold pieces, one \$1 gold piece, one \$2½ gold piece and one 50-cent silver coin.

**LOOK, DON'T SPEND** — This money—part of Bill Mertes' collection on display at the Hotel Hanford—is for sale or trading, but not for spending. Mertes (left) shows Flinton Eitzen (right), Riverton, and Phil Budd, Fort Madison, a set of gold coins he values at \$4,500. The entire collection in the case he values at more than \$40,000.

## Dealers to Place Coins on Display

At least 200 coin collectors from Iowa and Minnesota are expected to participate Saturday and Sunday in the Iowa Numismatics Assn. convention at the Hotel Hanford.

A display of coins will be open to the public.

Frank Morris, convention chairman, said Friday he could not estimate the value of the coins. He called the display "fabulous." He said 21 dealers from throughout the United States will have valuable coins and currency on display.

The coin auction conducted by Dave Pierce, Ottumwa coin dealer, will start at 1 p.m. Saturday. A banquet for delegates is at 6 p.m. Sunday an informal breakfast is scheduled for 8 a.m. and a business meeting is set for Sunday.

No speaker is scheduled at the banquet so that coin collectors have more time to "swap, trade and sell their coins."

## 125 At Davenport Meeting

# Valuable Coins On Display At Numismatic Convention

Exhibits with an estimated sale value of \$200,000 were on display as the Iowa Numismatic Association opened its state convention Saturday in Hotel Blackhawk. The meeting will continue through this afternoon.

Approximately 125 coin collectors attended the banquet Saturday night when Prof. John Davenport of Knox College described his pioneer efforts to catalog all the silver dollar size coins of Europe.

A professor of English at Knox, Davenport, visited 25 museums throughout Europe, during a 1958-59 sabbatical, as part of his project, expected to include some 10,000 pieces.

The Galesburg professor, a coin collector for 40 years, has to date published four volumes on the European coins and says an additional four will complete the project.

The Knox professor told the numismatists of numerous amusing and frustrating experiences led today.

Prof. Davenport said two other men — both Germans, in the 19th century — have attempted a similar project. Both men died without completing the job.

Some 20 coin exhibits were on display in the Blackhawk Saturday and will be shown to the public again today from 10 a.m. to 6 p.m.

Bourse, (exchange) sales also were a feature of the meeting, with coin dealers present from 10 states. State officers will be elected today.

## Numismatic Convention Is Saturday

Arrangements are being made for 500 persons to attend the Iowa Numismatic convention, sponsored by the Tri-Cities Coin Club, this weekend at the Blackhawk Hotel, Davenport.

Coin displays will be open to the public from 10 a.m. to 11 p.m. Saturday and from 10 a.m. to 6 p.m. on Sunday.

Prof. John Davenport of Knox College, Galesburg, an authority on numismatics, will be the featured speaker at a dinner Saturday night.

## Wyard Troja New Head of Iowa Coin Club

WYARD TROJA

Wyard Troja of Fort Madison was named president of the Iowa Numismatic Association Sunday at the conclusion of the association's two-day annual convention in Davenport.

Philip Budd, also of Fort Madison, was elected second vice president.

Other new officers are Don Jensen, Humboldt, second vice president; Al Eidi, Des Moines, secretary-treasurer; and Kenneth Benedict, Clinton, Dean Oakes, Gracett, William Fisher, Roffe, William Ott, Ottumwa, W. E. Van Hook, Maxwell, and Louis Ferguson, Algona, directors.

A total of 750 coin collectors were registered for the convention. More than 1,500 viewed the coin exhibits which were on display. Total value of the exhibits was estimated at \$200,000.

# Coins Go For \$60

STAFF WRITER

I found a place where you can get \$50 or more for one little old penny.

It was at the 18th annual convention of the Iowa Numismatic Association, which opened Saturday at the Blackhawk Hotel.

One activity at the meeting was an auction sale headed by Michael Kolman, Jr., of Cleveland, Ohio. He was auctioning off not only his own coins, as a dealer, but coins consigned to him by collectors.

While a few convention-goers were happy to pay \$50 or \$60 for a penny to add to their collection, most numismatists were a lot tighter with their money. Pennies were selling for three or four dollars like wildfire.

Today the auction will continue with nickels, two and three-cent pieces, \$5 gold pieces and bills scheduled to go on the block.

Collectors attending the auction receive a catalog of items which will go on sale. The current "catalog" price is listed with each item. Some coins will sell for half of the listed catalog value, while others will go for considerably more.

What sets the value of a coin? A variety of reasons, according to Leo Coyne of Rock Island, Ill., who is chairman of the Association's Exhibits Committee.

"Mostly it depends on the scarcity of the coin and the condition of the coin," he explained. "But sometimes a collector will pay a premium price on a coin which he needs to fill out a part of his collection."

For instance, pennies dated in a year in which millions of them were minted are 12 cents a dozen. Coin collectors are careful to keep away from the phrase "a dime a dozen"

But a penny issued in a year when perhaps only a half-million were minted may be worth considerably more than 12 min-

W. E. Van Hook of Maxwell, Iowa, a member of the Iowa Numismatic Association which opened its two-day convention Saturday at Hotel Blackhawk, proudly displays his collection of pennies dated consecutively from 1793 to 1956. He values the set at \$1,000. (Staff photo)

utes of metered parking time.

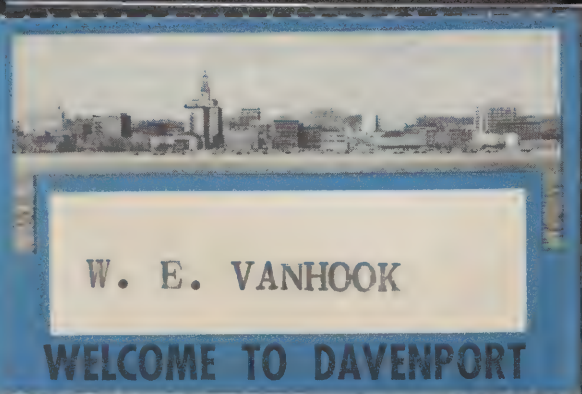

A coin's condition plays a big part in its value for collectors. A rare "uncirculated" coin, unblemished and gleamingly polished with all details sharply cut, is worth several times more than a similar coin which might have been worn almost smooth after passing from hand to hand for many years.

Collectors at the convention, which will close this evening, carefully note through magnifying glasses the condition and all details of coins they may purchase to add to their collection.

Almost two dozen coin dealers from all sections of the country

have set up tables at the convention displaying their stock for collectors.

Members of the Numismatic Association range from youngsters just starting their collections, to old-timers with stocks of coins valued up to \$10,000. The value of the average collection — if there is such a thing — probably would be somewhere between \$3,000 to \$5,000.

# City To Host State Meeting Of Coin Group

The Hotel Tallcorn this weekend will be the scene of the Iowa Numismatic Association's annual state convention.

With the Central Iowa Coin Club serving as host, coin collectors from over the state will assemble here Saturday and Sunday to elect new association officers, view special displays of coin, medal and currency collections and to compare notes on their hobby.

**JACK MUMMEY**, publicity chairman for the local club, said that an added attraction at the convention will be an exhibit by the Medal of the Month Club of Sioux Falls, S.D.

That group will display a portable coinage press and show how coins and medals are made. Their show will be open to the public, Mummey pointed out.

Exhibits of all classes of American coins since the first issue will be featured and there also will be displays of currency and foreign money.

**COIN DEALERS** will be on hand with tables set up to display and sell material to those seeking to enlarge their collections, Mummey said.

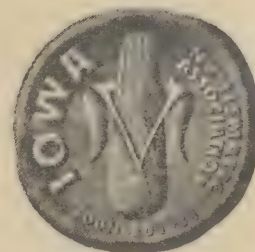

In addition to that, there will be three coin auctions during the two-day confab.

A banquet will be served to the convening coin collectors Saturday night and women attending the convention will be taken on a guided tour of the city Saturday afternoon, Mummey noted.

A new medal, created especially for this event by the host club, will be displayed at the convention for its first public showing.

# The Iowa Numismatic Association Convention

The Iowa Numismatic Association's annual convention was held September 30-October 1, at the Hotel Tallcorn, Marshalltown, Iowa. Central Iowa Coin Club of Marshalltown was host at the convention. The 35 bourse tables were made to accommodate 38 dealers, many from the surrounding states, and all the display space available was reserved many weeks ahead of time. Frank "Buck" Minor of Moline, Illinois, conducted a very interesting auction of 585 lots to floor bidders only. The highlight of the auction was an 1856 Flying Eagle cent, gem proof, selling for \$1,050. Col. Ray Janusick of Lostant, Illinois, acted as auctioneer, and through his skill probably helped many of the coins bring their true value, which was often above Guidebook.

The schedule of events of the I.N.A. convention were: Registration at 9:00 a.m. at which time the general convention got underway with the opening of the bourse tables, the exhibits, and the selling of the convention medals. Also, at 9:00 and continuing throughout the day there was a display of the medal joining press used by the Coin of the Month Club. At 1:30 p.m. the first of the three auction sessions began. A women's tour was held during the afternoon. At 6:15 buses took people to the Fisher Governor Community Center where the banquet was held. A good meal was enjoyed by all, following which a welcome speech was given by John Holden, president of Central Iowa Coin Club. Wyard Troja, president of the I.N.A. then presented the awards the displays. The winners were:

Paper Money: 1st—Claude Bach-tell, 2nd—Don Jensen, 3rd—Edna Hess; Gold: 1st—Don Jensen, 2nd—Andrew Klilgaard, 3rd — Wyard

Troja; Foreign: 1st—Philip Budd, 2nd—Arnold E. Swanson, 3rd—Andrew Klilgaard; U.S. Coins—1st, Wyard Troja, 2nd—J. Mortimer Pugh, 3rd — W. E. Van Hook; Commemorative: 1st—Andrew Klilgaard, 2nd—Raymond Ryan, 3rd—Wyard Troja; Medals and Tokens: 1st—Richard Taber, 2nd—Carl Hurlbutt, 3rd—W. E. Van Hook.

Sunday at 4:00 the names of the approximately 300 who registered were drawn for door prizes. Total attendance was over 1,000.

The following officers were elected for the coming year: Wyard Troja, President; Don Jensen, first vice-president; Philip Budd, second vice-president; Al Eidt, sec'y.-treas. Directors are: W. E. Van Hook, William Ott, Kenneth Benedict, Dean Oakes, Colby Uhler.

There has been a great interest in coin collecting over the past year. This is shown by an 86% increase in the membership of the I.N.A. in the last year and the fact that there are now 33 coin clubs in the state over about 15 three years ago.

A lively 585-lot auction was conducted by Buck's of Moline, Ill., at the I.N.A. convention. Auctioneer Ray Janusik is shown taking bids which came fast and furious.

## Iowa Medals Still Available

Grouped around the Iowa Numismatic Association registration table at the 23rd annual convention, held at Marshalltown, are, left, to right, Jack Mummy, publicity chairman for the Central Iowa Coin Club; Al Eidt, secretary-treasurer; for the I. ## Coins Worth Thousands Shown Here

Nearly 300 coin collectors and dealers were on hand to view exhibits valued at more than a quarter of a million dollars as the Iowa Numismatic Association held its annual convention in Marshalltown Saturday and Sunday at

Hotel Tallcorn. The Central Iowa Coin Club was host for the occasion.

Awards for the displays were given Saturday night following a banquet.

**WINNERS FOR** the displays included Claude Bachtell, Burlington, for paper money; Don Jensen, Humboldt, for gold; Phillip Budd, Fort Madison, foreign coins; Wyard Troja, Fort Madison, U. S. coins; and Andrew Khlgaard, Hardin commemorative coins.

Two city exhibitors took honors for their displays with Richard Taber winning first place with his display of medals and tokens while Edna Hess took third place for her paper money collection.

Some 271 registered for the convention and a spokesman for the organization estimated that the face value of the money present at the convention was about \$50,000 while its value to the coin collectors was approximately \$300,000.

**AN EXAMPLE** of the inflationary value of the coins was evidenced when an 1856 flying eagle penny sold at the auction for \$1,050. In a private sale, an 1851 California gold \$50 piece sold for \$1,650.

**TWO MARSHALLTOWN EXHIBITORS WON** awards at the Iowa Numismatic Association Convention held here Saturday and Sunday. Edna Hess, left, won third place in the paper money displays while Richard Taber took first prize in the medals and tokens class. There were 271 registered at the convention where rare coins were traded and sold. An official of the organization estimated that the \$50,000 face value of the coins present held a value of nearly \$300,000 to coin collectors.

There will be more than 40 bourse tables at the Convention. Three auction sessions with a total of 607 lots. What a wonderful opportunity to sell, trade, and buy coins!

And to see coins, too. Exhibits will include J. V. ### Coin Collectors Set Iowa Parley

(The Register's Iowa News Service)

OTTUMWA, IA. — The annual convention of the Iowa Numismatic Association will be held in the Coliseum here Sept. 22-23. Coin collectors from throughout the Midwest are expected to attend. There will be three auction sessions, two Saturday, one Sunday.

## INA Changes Convention Site For Ottumwa Event

The site of the Iowa Numismatic Association's annual convention scheduled for September 22 and 23 has been changed from the Hotel Ottumwa to the Ottumwa Coliseum in Ottumwa, Iowa, due to the increase in number of exhibits scheduled for the convention, according to W. J. Treneman, publicity chairman.

Exhibits at the show are to include J. V. McDermott's 1913 Liberty nickel; the First National Bank of Chicago display containing coins from the time of Julius

Ceasar to present called "The History of Coins"; the Harris Trust and Savings Bank of Chicago display containing coins and currency from all the members of the United Nations and the nearly complete set of extremely rare American copper die trails dated 1867, found in a vault of the State Historical Department at Des Moines, Iowa.

Also on exhibit will be the seldom displayed "King of Silver Coins"—the 1804 silver dollar. This

rare coin belongs to Gordon Taggart of LaCrosse, Wis., who purchased it from a collector of sea shells on an island in the Gulf of Mexico.

The shell collector told Taggart that sea and wind had eroded a sandy embankment, exposing the remnants of an old rusted metal container. Investigating, he found an earthen jar, small but intact, in the remains of the metal box.

The jar contained a rotted leather pouch in which there were some coins. Taggart believes the collection was buried by some family or individual of long ago who feared marauders and never was able to return to retrieve it.

This will be the first time an 1804 silver dollar has been displayed at an I.N.A. convention.

Sets of old silver, copper, currency, commemoratives, medals and other items of numismatic interest are to be on exhibit, reports the publicity chairman.

The auction at the two day show will be handled by Buck Minor of Moline, Ill., and will take place Saturday and Sunday, both beginning at 2 p.m.

The Ottumwa Coin Club is host to the convention. Earle Beman is bourse chairman and may be contacted at 122 East Second street in Ottumwa.

William Otto is exhibit chairman and may be contacted at 102 South Davis street, Ottumwa. Everyone is welcome to attend the I.N.A. convention.

### Rare Exhibits

## 2,000 Expected For Coin Event

The Iowa Numismatic Association convention here Sept. 22-23 is expected to attract 2,000 persons to the Coliseum.

W. E. Dullard and Roy Barnes of the Ottumwa Coin Club, host to the state convention, are making preparations for that number of persons.

There have already been reservations for booth and display space by 31 dealers, and another 20 are expected to display, Dullard said.

Two rare coins to be on display will be an 1804 dollar valued at \$35,000, and a 1913 Liberty head nickel valued at \$45,000.

Two special collection dis

plays will be the United Nations Coins And Currencies and the History Of Money From Julius Caesar to the Present, both from a Chicago bank.

Dullard said the association is announcing the Ottumwa convention by ads in seven nationally-distributed coin magazines.

The Iowa Coin Show Saturday and Sunday at the Coliseum will be one of the biggest ever held in the state. But what some Ottumwans didn't realize is that there's quite a curtain raiser in the lobby of the Union Bank this week. Bank officers obtained an unusual collection from the First National Bank and the Harris Trust Co. of Chicago. Seen are coins reflecting the history of the United Nations, coinage of the world, and coins since the days of Caesar. They will be among the displays at the Coliseum show, and will be displayed again next week in the bank lobby.

## Valuable Coins In City

This 1804 silver dollar, center, and 1913 Liberty head nickel, bottom, combined have a \$75,000 value. They were among a half a million dollars worth of coins exhibited at the Coliseum over the weekend at the 1962 convention of the Iowa Numismatic Association. Wyard Troja of Fort Madison, president of the Iowa Coin Club, is holding the valuable coins. The silver dollar is owned by G. H. Taggart of La-Crosse, Wis., and has a \$30,000 valuation. The coins were withdrawn from circula-

tion after it was discovered they contained more than a dollar's worth of silver. Enlarged photos at the top show the observe and reverse of the coin. The 1913 nickel at the bottom is valued at at least \$45,000. It is one of only five known to be in existence and belongs to J. V. McDermott of South Milwaukee, Wis. No Liberty head nickels were to be minted in 1913, but in the 1940s the five showed up. (Courier Photo).

# 1,500 Attend Coin Show

(Picture on page 1)

An estimated 1,500 exhibitors, visitors and dealers attended the 1962 annual Iowa State Numismatic Association convention in Ottumwa Saturday and Sunday.

Close to half a million dollars worth of coins were on exhibit at the Coliseum.

**INCLUDED** in the exhibits were a complete set of Carson City gold pieces worth \$60,000 and specially struck trail pieces of American coins, struck for the state of Iowa, on which no value can be placed because the coins are unique.

Willard Dullard, chairman of the convention for the Ottumwa Coin Club, which hosted the event, said the visiting collectors and dealers told him this had been the best convention ever held in Iowa, and expressed gratification with Ottumwa's reception and response to the convention. Dullard said some dealers came from as far away as Canada and 17 or 18 other states were represented including California, Massachusetts and Tennessee.

There were 550 coins auctioned off during the two-day event. An 1856 flying eagle penny brought the highest price, \$750. Walter Cochrell of

Ottumwa was among those receiving blue ribbons for first place awards. His coin collection was displayed on a revolving circular board.

**MOST UNITED STATES** coins were represented in fine

or uncirculated condition, Dullard said. All one, two, three and five cent pieces were exhibited. Other exhibits included money from the time of Caesar to the present day and an exhibit of currency of members of the United Nations, with the nation's flag displayed beside the representative currency.

Next year's state convention will be held in Sioux City. The organization's banquet was Saturday evening at the Coliseum, with about 200 persons attending.

Take a penny from your pocket, check the date and if there's a D or an S or nothing under it — you'll never again be able to just casually put a penny in a parking meter or toss a handful of change on a counter.

If you once start checking dates, mint marks and condition of coins you're hooked — and you'll have the disease of "numismatic-a" in your bones — and you'll love it!

At least, that's how the thousands of coin collectors in the country describe it. Several hundred of these hobbyists were in Ottumwa over the weekend, and even an onlooker found their displays of rare coins and completed series of coins fascinating.

Coins—currency is included but it's easier just to say coins — are valued if there were but a few of a certain year or design minted, if there was an error in the die—for example, a three-legged buffalo — if a series of dates and mints is complete or if the coin is extremely old.

Some of the exhibits included coins mentioned in the Bible; coins from ancient Greece and Rome; present-day coins from Ghana and England and Africa; United Nations members' currency; and coins from the days when postage stamps were enclosed in metal and used as legal tender.

Among the more beautiful specimens are the gold coins used in the early days in the U.S. A Gauden double-eagle gold piece was described as the most beautiful coin and it lived up to its billing.

Little folks, men, women, grandmas even, enjoy coin collecting. Books and papers on the subject can be obtained, and even primary grade children can know the fun of completing a "blue book" of recent pennies or nickels. It's fun, and educational, and — as the exhibits of coins worth \$30,000 and \$45,000 at the convention here proved — it's also profitable!

## That Which Is Caesar's

Coins from the realm of Julius Caesar are included in this display from the First National Bank of Chicago, "The History of Coins," which Jo Lummis, an employee of Union Bank & Trust Co., is examining. The display of coins, which range from

Roman times up to the present day, is being shown in the lobby of the Union Bank and will be part of the displays at the Iowa Numismatic Association annual convention Saturday and Sunday at the Coliseum. (Courier Photo)

## IOWA NUMISMATIC ASSOCIATION

THE IOWA NUMISMATIC ASSOCIATION WAS THE FIRST STATE NUMISMATIC ORGANIZATION MADE UP OF INDIVIDUAL MEMBERS, AND WAS FORMED JUNE 19, 1938 AT IOWA CITY, IOWA. DURING THAT INITIAL YEAR OF 1938 AND THE EARLY PART OF 1939, 100 CHARTER MEMBERSHIPS WERE ISSUED OF WHICH 14 ARE STILL ACTIVE. THESE WILL RECEIVE LIFE MEMBERSHIPS AT THE SILVER-ANNIVERSARY CONVENTION IN SIOUX CITY, IOWA.

IT WAS DECIDED THAT THE CONSTITUTION AND BY-LAWS OF THE INA BE FILED IN POLK COUNTY AS A NON-PROFIT CORPORATION. TED R. HAMMER WAS ELECTED FIRST PRESIDENT, R.E. McLAIN AND V. LEON WERE ELECTED FIRST AND SECOND VICE-PRESIDENTS RESPECTIVELY. A BOARD OF DIRECTORS WAS ELECTED BY ACCLAMATION. THEY WERE: ERNEST MOORE, ELMER LAURENT, WALTER P. BOHLER, LLOYD G. ROGERS, AND L. A. EIGHTY-ONE PERSONS REGISTERED AT THE 1ST MEETING, COMPARED WITH OVER EIGHT HUNDRED ATTENDING OUR LAST MEETING IN OTTUMWA. AN OFFICIAL MEDAL OF THIS FIRST MEETING WAS STRUCK AVAILABLE TO THE PEOPLE ATTENDING AND TO CONTRIBUTORS OF DOOR PRIZES GIVEN AWAY AT THIS FIRST MEETING. UNFORTUNATELY, DUE TO THE HIGH COST OF ENGRAVING AND DIE SINKING, MEDALS WILL NOT BE AVAILABLE THIS YEAR. MAYBE SOMETIME IN THE FUTURE THEY WILL BE CONTINUED.

THE PAST RECORDS OF THE INA LOOK LIKE A LIST OF WHO'S WHO IN NUMISMATISTS. THE INA HAS HAD THE GREAT PLEASURE IN HAVING A FINE LIST OF NUMISMATISTS ATTEND THROUGH THE YEARS. SOME OF THOSE NUMISMATISTS WHO GAVE THEIR TIME IN THE FIRST 2 YEARS OF ITS GROWTH ARE: J.H. RIPSTSA, E. NEWMAN, HANS SCHULMAN, M. VERNON SHELDON, A. KOSOFF, JIM KELLEY, A.B. KELLY, M.H. BOLENDER, ROY LAWRENCE, B. MAX MEHL, A.E. BEBEE, ART KAGIN, LEE HEWITT, LAUREN BENSON, W.M. BAKER, & MORTON STACK. MANY OF THEM SPOKE AT MEETINGS AND GAVE DIRECTIONS TO THE NEWLY FOUNDED INA THROUGH DONATIONS. WE OWE OUR THANKS TO THESE MEN AND TO THOSE HUNDREDS OF OTHERS WHO HAD THE FORESIGHT IN THE BEGINNING AND THROUGH THE YEARS TO SUPPORT AND MAKE THE INA AVAILABLE TO THE NUMISMATIC FRATERNITY OF IOWA.

WE ALSO WANT TO TAKE THIS OPPORTUNITY TO THANK THE SIOUXLAND COIN COLLECTORS, ASSN., SIOUX CITY, IA. FOR HOSTING THIS CONVENTION.

FROM ITS HUMBLE BEGINNING WITH A ROSTER OF LESS THAN 20 MEMBERS, IT HAS GROWN INTO ONE OF THE LEADING, IF NOT THE LARGEST NUMISMATIC ORGANIZATION IN THE STATE, BOASTING A MEMBERSHIP LIST OF OVER 175 COLLECTORS, INCLUDING MANY PROFESSIONAL MEN: PHYSICIANS, BANKERS, ATTORNEYS, ENGINEERS, ETC.

THE AUCTION IS PRESENTED BY ADVANCE LISTING TO EACH MEMBER AND IS MADE UP FROM COINS SUBMITTED BY MEMBERS IN ADVANCE. THE CLUB RETAINS A COMMISSION ON EACH SALE WHICH IS USED FOR OPERATING EXPENSES. STIOUXLAND COIN COLLECTORS ASSN ARE HOSTS TO THE  
25th I.N.A. CONVENTION OCT 4-5-6th, 1963 WARRIOR MOTOR HOTEL SIOUX CITY, IA  
DEAR MEMBERS,

Well here is our convention auctions. They both look great but of course our Bid Board section looks the Best. If you turned in coins for the convention you will find your lots circled.

We want all the club members to be sure and attend the convention at least once. Registration of course will be free to club members, 50¢ to non-members. Non-members won't have to register unless they wish to bid at any of the auctions or the Bid Board. If you find for any reason you can't come, send in a mail bid for the coins you want to the A & A. If it is too late to get the bids to the A & A you can send them to me or even call me. I will see that they are entered. Of course bids can be entered at any time during the convention for coins on the Bid Board. We hope to have a large turn out for the Banquet but there is only a limited number of tickets available. You can pick up your tickets when you register or if you want to be sure of a ticket you can pick them up in advance at Dorfman's Coin Shop. We also want to have some activities for the ladies but at this time we aren't sure what they will be. Be sure and check when you register as to what is available.

There will still be a lot of finish work to be done after the convention so the Board of Directors have decided--THERE WILL NOT BE A MEETING TUES. OCT 8, 1963. We hate to have to cancell another meeting but find that it is necessary.

Here is a schedule for the month of October. We hope to see you at every event.

## AUCTION ENDS COIN CONCLAVE

Iowa coin collectors ended their annual state convention here with a sudden flurry of activity, as dealers and collectors rushed to get final bids in on the bid-board auction Sunday afternoon.

Earlier in the day, the

Iowa Numismatical association held a breakfast meeting and re-elected its entire slate of officers at the general business session which followed.

### Officers Include

Serving again for the coming year will be Don W. Jensen, Humboldt, president; Phillip Budd, Fort Madison, vice president; Kenneth Benedict, Clinton, second vice president; Dean Oakes, Iowa City, secretary-treasurer, and W. E. Van Hook, Maxwell, historian.

Re-elected to the board of directors were John ("Ted") Alvey, Sioux City; Golbly C. Uhlir, McCook lake, S. D.; Albert Eidt, Des Moines; Wyard Troja, Fort Madison, and Bill Ott, Ottumwa.

### Choose Des Moines

The Des Moines Coin club was chosen to host the 1964

convention at the state capital.

According to Mr. Alvey, the ballroom of the Sheraton-Warrior Motor Inn, where the three-day convention was held, "looked like the New York stock exchange Sunday afternoon."

Throughout the convention, various coins were put up for sale on the large bid-board, and each collector was given a number. Then, individuals would bid on the coins, with the sale going to the highest bidder. The bid amounts and bidder number were placed on the board.

Mr. Alvey said that the highest price paid for a coin on bid-board was \$147 given for a 1909-S penny. Two call auctions were completed Saturday, with some rare coins selling for \$700 to \$800.

inn. The charming girls frightened by the weapon are, left to right, Linda Chilton, Sue Sibley and Sandie Reiners. A coin auction and banquet were Saturday's convention activities. Association election will be today.

## Dime Brings \$800-Plus at Auction

A dime was worth more than \$800 to coin collectors Saturday night, as the second call auction of the three-day Iowa Numismatic association convention was completed at the Sheraton-Warrior Motor Inn.

The coin, a 1796 dime, was one of the first issues of United States 10-cent pieces. It is classed as a "rare" coin as very few were made, and many have been lost. The silver used in minting the coins was furnished by George Washington.

Final activity of a busy day for the collectors and the 31 coin dealers at the convention was the call auction. Earlier Saturday evening winners of eight coin and paper money display categories were announced at a banquet. Another call auction was held Saturday afternoon and throughout the day displays were set up and trading and selling coins continued.

later and closing the Siouxland bid-board auction at 3 p. m. The convention officially ends at 6 p. m. A tour of Sioux City will be conducted for the ladies at 1 p. m.

In addition to the rare dime, another unusual coin brought a top price of about \$750 at the evening auction Saturday. This was a 1793 half-cent, in "very fine" condition. It also is a first-issue coin and is considered rare because of the free circulation of the half-cents, leading to most of them becoming worn.

The most beautiful American coin, according to most experts, is the 1928 \$20 gold piece, designed by Augustus St. Gauden. One of these sold for \$62.50 at the afternoon auction Saturday. Another unusual gold coin is the 1878 \$3 gold piece, considered scarce because of the slow demand for them caused the government to cease minting them soon after their first appearance. One of these sold for \$185 also in the afternoon auction.

Trophy winners for best displays were: Phil Budd, Fort Madison, Ia., best of show; Dean Oakes, Iowa City, Ia., colonial coins; Bill Duns-worth, Sioux City, best local display; Robert Schlotterback, Dysart, Ia., miscellaneous; Arnold Swanson, Des Moines, foreign coins; Eugene Morris, Forest City, Ia., United States paper money; Don Jensen, Humboldt, Ia., gold and Andrew Klitgaard, Harlan, Ia., United States coins.

The schedule for today, last day of the meet, includes a breakfast for I. N. A. officers at 8 a. m., reopening of convention facilities at 9 a. m., election and picking a 1964 convention site at a business meeting an hour

# Phil Budd Wins Best Of Show At Successful Silver Jubilee

Approximately 1,200 visitors, 32 dealers, and a large degree of enthusiasm joined together, made the Silver Jubilee celebration of the Iowa Numismatic Association quite successful, stated Dean Oakes, organization secretary. Held in the Sheraton-Warrior hotel in Sioux City, Iowa, the Siouxland Coin Collectors Club hosted the quarter century celebration.

The 1964 event will be held during the second week of September in Cedar Rapids, with the Cedar Rapids Coin Club as host. This will mark the fourth time for the statewide convention in that city. The 1964 event will also be the 25th anniversary of the host club.

Phil Budd, Ft. Madison, won the best of show award for his motion display of Crowns of the World. Oakes, Iowa City, drew top award in Colonial coins; Bill Dunsworth, Sioux City, best display exhibited by a local member, and Robert Schlotterback, Dysart, won the best in miscellaneous.

Arnold Swanson, Des Moines, took the foreign money competition; Eugene Morris, Forest City, U. S. paper money; Don Jensen, Humboldt, gold and Andrew Klitgaard, Harlan, the U. S. coin category.

The annual banquet was attended by 112 members and guests, at which time eight charter members were present to receive their life memberships in the I. N. A. They were Walter P. Bohler, Lewis K. Ferguson, T. J. Barnes, A. R. Goodman, Klitgaard, M. A. Radke, Swanson, and Paul Campbell.

Others so honored, but not present to receive the award in person, were: Lee F. Hewitt, F. W. Allen, Earl Pettit, A. M. Kazin, E. J. Ashalter, Lauren Beuson, and Lester S. Wright.

A combined mail and floor auction was conducted by Eugene Demko, Columbus, Neb., for A. and A. Coins, Inc., Iowa City. The two session auction saw 605 lots go over the block under the hammer of Demko.

The top price during the auction was \$810 paid for a 1796 dime, Kosoff number 9, extra fine condition and sharply struck. A 1793 wreath large cent brought \$405, an 1824 divided date uncirculated cent rated by Walter Breen as the third finest in the world, sold for \$107, and a Lewis and Clark commemorative \$1 gold piece went for \$135. Another gold coin was an 1818 \$3 piece for \$177.50.

Award winners at the I. N. A. Silver Jubilee Convention in Sioux City, Iowa, display trophies and happy smiles after presentations were made at the annual banquet. From left to right, Arnold Swanson, Des Moines; Eugene Morris, Forest City; Andrew Klitgaard, Harlan; Robert Schlotterback Dysart; Phil Budd, Fort Madison; Don

Jensen, Humboldt, and Bill Dunsworth, Sioux City. The latter won the trophy for the best display by a Siouxland Coin Collectors Club member. The group was host to the Convention in the Sheraton Warrior hotel with Golby C. Uhler and John T. Alvey as co-chairmen.

the official family with him are: Budd, vice president; Kenneth Benedict, Clinton, second vice president; Oakes, secretary-treasurer; and W. E. Van Hook, Maxwell, historian.

The board of directors is made up of John T. Alvey, Sioux City; Golby C. Uhler, Jefferson, S. Dak., also co-chairmen of the convention; Albert Eidt, Des Moines; Wyard Troja, Des Moines, and Bill Ott, Ottumwa.

Oakes reported several pieces of legislation passed at the annual meeting, one of them being a motion to bid for I. N. A. to host the Central States Numismatic Society Convention in 1967 in Des Moines, the site of the state convention in 1965.

Also decided was to present a best of show award at all shows sponsored by any of the 19 member clubs. It will be engraved, "Best of Show awarded by I. N. A. (year)." It may be won by a person only one time during the course of a year.

Two other motions were made and passed by the group at the session, one to make a donation of \$50 annually to the Lewis M. Reagan Memorial Fund, as long as the group is financially able to continue. The other was to present a \$50 check to the drive to replace the coin collection stolen from the Truman Library, for which there is a drive on at

Bid board action at the Iowa Numismatic Association Convention was active throughout the event with the "Sioux City Sues" marking the advancing prices. Three hostesses are shown left to right, Sandie Reiners, Sue Sibley and Linda Chilton while others were circulating among the visitors and dealers at the three day event.

1963 IOWA NUMISMATIC CONVENTION  
October 4th, 5th, 6th  
SIOUX CITY, IOWA

The convention ritual of the Officers' Breakfast was held in the Hotel Wagon Wheel Room. All officers were in attendance along with some of the Charter Members. After the breakfast they adjourned to the auction room for the business meeting.

\*\*\*\*\*

The business meeting was a lively one with quite a number of members in attendance. I'll list some of the highlights as follows:

A Moment of Silence was held for our late beloved member friend, W. O. Stearn.  
A motion made and seconded for Cedar Rapids as our next convention site.  
A motion made and seconded for Des Moines in 1965.  
A discussion of hosting Central States Convention in Des Moines in 1967.  
Motion for unanimous continued ballot for the officers and directors for another year in office, motion carried.  
Motion that displayers receive approval of display chairman for removal of their displays at all future conventions, passed.  
A commendation to the Siouxland Club for the fine job they did in hosting the Convention, and A & A for the fine auction catalog.  
A motion made and carried to donate \$50.00 for a coin purchase for the Harry Truman Library Collection.  
A motion made and carried that a yearly donation of \$50.00 be made to the Lewis Reagan Fund as long as we can afford it.  
A motion made and passed whereas the I.N.A. will provide all members with "Best of Shows" trophies to be awarded as such in their annual shows.

\*\*\*\*\*

The idea of the I.N.A. providing this trophy to the clubs is one of the finest gestures of good sportsmanship we have had in the Association in recognition of its fellow members. We have at present only 19 clubs in the Association and there is an estimated total of 39 to 40 clubs in the State. We need 100 per cent representation of all clubs. Get your club in if it doesn't belong or if you know of a club write to me and I will contact their officers.

SOMETHING TO  
CROW ABOUT

Phil Budd our Vice-President is serving as a committee of one in charge of this element of the trophy awarding so please contact him relative to your need:

Philip L. Budd  
1005 Ave. "G"  
Ft. Madison, Iowa 52627

All requests to be made two weeks in advance of the show.  
All requests in writing with signatures of 2 club officials.  
A "Best of Show" winner is eligible for only one trophy a year.

\*\*\*\*\*

As a final summation of the 1963 convention. You Siouxland friends did a beautiful job this year and everyone of the members in attendance will back me 100 per cent. Special accolades to Golby Uhler, Ted Alvery and those wonderful kids, along with all other member associates who worked on this convention-- you can't be topped. You know in a way I feel sorry for the home town boys - they had to stay home to enjoy the convention this year, it's much more fun visiting, but next year you can go visiting -- Cedar Rapids -- another good town so we'll all see you there in "64".

Eugene Morris, one of our loyal members and a very active displayer in all of our area shows had the misfortune of having someone break into his office and steal a large portion of his note or bill collection. The Association will make every effort to track down those guilty and we are attaching a typewritten sheet of the list of the notes and their pertinent information. If any member acquires any of these notes or hears of anyone acquiring any of them, please notify Eugene as soon as possible. I definitely know it will be appreciated.

Just a reminder. This is the fall show season and everything is in full swing. I attended the Tri-City Coin Club show at Moline October 13th. They had a terrific turnout, beautiful weather and all. There is a big show coming up soon at Fairfield, Iowa. Hobby Show and Auction, National Guard Armory, Nov. 2nd and Nov. 3rd. Saturday Auction at 7:00 P.M., Sunday Auction at 2:00 P.M. Make it a point to attend these shows, fraternize with your Iowa buddies.

Talking about being on the ball or getting your bid in early, here is an advance communication relative to a coin show:

Mid-Iowa "Coin-A-Rama", Community Bldg.. Boone, Iowa - March 21-22, 1964.

Mark this date down on your next year's calendar, there are five clubs staging this how and I hope every one of these clubs joins the Association if they are not already members. We want to get out IMA show trophy in there for the awards.

# SILVER ANNIVERSARY ISSUE

SIOUX CITY---Out where the West begins---365 long cotton pickin' miles from my launching spot in Clinton---hotter than blazes outside---but here the picture changes---a nice air conditioned hotel with wonderful accommodations---a large roomy display area and bourse area---dealers with them little gems---a new innovation in our Convention, a huge bid board about 25 feet long attended by those beauteous Golby Girls, ever so nice and accommodating, the hit of the show---the wonderful displays of the members of the club and Association---the relaxed enjoyable atmosphere---the auction element so efficiently handled---Bill Mertes and his 3 dollar gold, a permanent fixture in INA conventions---Coin World and Numismatic News---Cameras flashing---old acquaintances mixing and talking, handshaking, the real element of the convention---Some of those wonderful people, Mr. & Mrs. A. Eidt, Mr. & Mrs. Phil Budd and their son, Mr. & Mrs. Lewis Ferguson, Past President and their daughter, Paul Campbell, Our big President, Don Jensen and his million dollar brief case, Bill Ott and so many others---the wonderful banquet supper, so enjoyable and informal, the presentation of trophies to our charter members and the display winners---the officers' breakfast---the business meeting afterwards---the goodbyes till another year---back to our natural habitats to resume our routine living---wonderful memories.

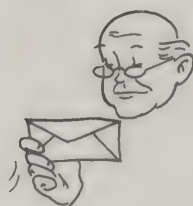

\*\*\*\*\*

Missing from our Convention ranks this year, one of our most ardent members and Past President, Wyard Troja and his wonderful wife, his health not permitting. We missed you, friend.

\*\*\*\*\*

Those nice letters from our Charter Members who were unable to attend, Lee Hewitt, Lauren Benson, M. Vernon Sheldon, F.W.Allen, Lester S. Wright, regrettably accepted and hoping that maybe next year or some time there can be another reunion with these wonderful people.

\*\*\*\*\*

Charter Members in attendance: Walter P. Bohler, Lewis K. Ferguson, T. J. Barnes, Andrew Klitgaard, M. A. Radke, Arnold E. Swanson, A. R. Goodman, Paul Campbell---I hope I haven't left any out, if so remind me for next month's Bulletin. These boys were and still are the backbone of our great Association. Congratulations on those 25 wonderful loyal years.

\*\*\*\*\*

All Charter Members were honored with life memberships in the Association. These attending the Convention received theirs at the banquet along with recognition from those attending the banquet.

\*\*\*\*\*

Each year I say the same thing about the Convention, it is so wonderful to renew old acquaintances and view the displays. This year was no exception, the displays were terrific. The trophy winners are as follows:

 Colonial Coins - - - - Dean Oakes, Iowa City  
 Local Display - - - - Bill Dunsworth, Sioux City

## PRESIDENT'S MESSAGE

"Investing in friendship is better than buying gold dollars at half price."

This is the time of year one renews old friendships and acquires new ones.

Coin collectors are a friendly lot and we are striving towards the same goal in the Iowa Numismatic Association.

Our organization is growing. However, for any organization to grow requires some work from many members. Every effort is being made by our officers, directors and loyal members to further the Iowa Numismatic Association in numismatic circles. To those who have worked so diligently in the past and at present, wish to say "A BIG THANK YOU!" Through the efforts of many we will improve our organization.

Before I close, I want to wish each member a Very Merry Christmas and happy hunting in 1965.

Sioux-Land Coin Collectors Ass'n Convention, Oct. 3 and 4, Sioux City, Iowa.

THE KEY CITY COIN CLUB of Dubuque, Iowa:

I have written to Lorraine Wagner for some information concerning their club in Dubuque, she wrote back recently giving me the following information:

Officers:

- President, Mrs. Don Weber, 2795 Buena Vista Street
- Vice-President, M. A. Otto, 1960 Avalon Street
- Secretary, Lyle Dewey, 2280 N. Grandview Avenue
- Treasurer, Lorraine Wagner, 908 Mt. Loretta Ave.
- Auctioneer, Frank Parr, 2210 Evergreen Drive

The club meets the first Thursday of each month. I would suggest calling or writing their officers for further information. There is a good possibility they may join our association.

I received a nice letter from a loyal member and prominent bill collector, Harold Baker of Des Moines. He kind of stresses early Iowa material and displays in our conventions.

Also received a nice letter from another loyal Des Moines member, Byron O. Dunham, 5427 S. W. 20th. He was a past Secretary of the Des Moines club. Right now he is actively engaged in quitions and show work, interested parties contact him.

Received another nice letter from our Vice-President Phil Budd. Congratulated me for getting this Bulletin out. Also wrote about a Junior Coin Show on Feb. 10th at Fort Madison, said he's writing later concerning the show. They seem to stress assisting junior members down that way which is a wonderful thing. It takes patience and a lot of work and understanding. Guess he and his lovely wife June will be at the Boone Show, am hoping to make it also.

News item from the Coin World: The Des Moines Coin Club will have its 4th annual Spring Auction and Show on May 16 and 17 in the Y.M.C.A. at 101 Locust Street. Stan Osiol is the chairman. Well this is one way of getting some of our state news, read the coin papers.

Forrest City, Iowa:

I received a quick response from a good friend and fellow member Gene Morris about their coming spring show April 4 and 5. Show hours are 9 A.M. until 10 P.M. on Saturday; 9 A.M. until 5 P.M. on Sunday.

There will be 30 Bourse tables all of which are taken. There will be more exhibits than ever before. There will be dealers from Colorado, Kansas, Michigan, Wisconsin, Minnesota and Iowa.

An Auction will be held Saturday night and again Sunday P.M.

If you live within reasonable driving range drive over and see Gene and the boys. Don't forget your check book and trading stock.

Sioux-Land Coin Collectors Ass'n:

I received a nice letter from Norm Ewoldt their publicity director and he sent following info for me to relay.

They held a monthly board meeting Jan. 23. They celebrated their fourth anniversary Jan. 14, at the Sheraton-Warrior Hotel. They now have a membership of 160 members from Iowa, South Dakota and Nebraska. About 80 members attended the celebration. They had the perennial auction with some hot stuff going for good money. Refreshments were served during the mid-auction intermission.

Their meeting nites are on the second Tuesday at 7:30 P.M. and the fourth Sunday at 2:30 P.M. at the Sheraton-Warrior Hotel.

They also want me to announce they will hold their 4th Annual Convention on Oct. 3 and 4, in Sioux City.

This outfit did a terrific job on the convention and seem to make it habit the year around. Hope to renew acquaintance with them at our convention this fall.

I just received a letter from our Secretary-Treasurer, Dean Oakes of Iowa City. He wrote a paragraph to this effect:

"I think concerned members of the I.N.A. who are A.N.A. members should write to the President of the A.N.A., P. K. Anderson, c/o Hotel Fredrick, Frederick, Okla., and ask that the information regarding the faulty ballots be presented to the membership. Rumor has it that the ballots all came from the Ohio area and were all for Mr. Anderson's opponent. This is an attempt to: 1. Rig the voting and 2. cover for a very small group who have control of the A.N.A. This is a sorry thing to see happen to our national organization."

Give this item serious thought and write to P.K. and let him know you are genuinely interested in the welfare of our national society and want things to be done on the up and up and the heck with politics in such a group.

\* \* \* \* \*

Just as a reminder to start thinking about, NATIONAL COIN WEEK, April 18 to 26.

We recently had a board of directors meeting and this was one important item that was brought up and plans were outlined for displays in our local banks. Our club is represented in membership by 17 different towns and we are stressing that the members in all these localities set up displays in either the banks or prominent business houses. This is the time each year that the coin hobby is brought into direct focus for the general public. I have witnessed the enthusiasm our displays have received and our banks request the displays each year. I enjoy seeing the general public looking over the displays and it kind of gives a person a sense of satisfaction similar to an accomplishment. Make it a point in your coin routine these coming months to set up during this week.

\* \* \* \* \*

Some more Iowa news I stole from the Coin World: The Southwest Iowa Coin Collectors, organized recently in Atlantic, Iowa, and set meetings for the 1st and 3rd Sundays of each month at 2 P.M. in the Atlantic City Hall. The dues are \$2.00 for a family and \$1.00 for Juniors. They have 20 members as of now. Phil Chinitzis is President; Truby Bell, Vice-President, and Mrs. Ben H. Christensen is Secretary. Hoping I can talk them into the Ass'n.

#### EDITORS DESK:

Each year one of the advertising chores I do in connection with our spring show is to check through the latest club roster I receive from one of the leading publications and check off the different coin clubs in both Iowa and Illinois which I feel is within reasonable driving distance and send them copies of our show fliers. I realize their list is not entirely complete but was curious to see how many Iowa clubs who were listed and are not members of the I.N.A. Here are some that were listed in the roster:

Ames Coin Club	Northwest Iowa Coin Club
Bluegrass Coin Club of Creston	Old Capital Coin Club
Buena Vista Coin Club	Reinbeck Coin Club
Charles City Coin Club (ANA assoc. member)	Southwest Iowa Coin & Stamp Club
Clarion Coin Collectors	Wapsie Coin Club
Corn Belt Coin Club	Waterloo Coin Club
H. & L. Coin Club	Waverly Coin Club
Key City Coin Club of Dubuque	West Central Iowa Coin Club
North Central Iowa Numismatic Ass'n.	Jefferson Coin Club
North Iowa Coin Club	Boone Numismatic Ass'n.

There are 20 clubs listed above and that is not a complete listing. I know all of us would feel real good if we could boast a 100% club participation in our Ass'n. It would give other state groups something to think about. In union there is strength, we need every club in our union. If you are a member of any of the above listed clubs and are a member of our Ass'n., if I were you I would make it a moral obligation to get that club into our Ass'n. even if I had to pay the dues. We are trying to build a strong close knit Ass'n. and we need the help of every member so do your job now. Also, if you know of other clubs not on the list try to get them to join or let me know so that I might contact them. There are over 200 members in our group. Let's all start writing a little and get closer fraternally.

Its getting tougher each month to come up with news around the state. Its just a case of someone in each club or even our individual members taking five or ten minutes to sit down and write me each month. We want to keep this Bulletin going but I need your help.

# Phil Budd Renamed President Of Iowa Group; Des Moines Club Host To Annual Convention

A crowd of over 6,000 persons attended the three-day 27th annual Iowa Numismatic Association Convention held in the Fort Des Moines hotel in Des Moines hosted by the Des Moines, Iowa, Coin Club, as Phil Budd, Fort Madison, was re-elected INA president, according to Mrs. Zelma Cobb, Des Moines club secretary.

Paul Mullaney, St. Paul, Minn., won the best of show award with his Coin of Israel exhibit and Mrs. Helen Morris, Forest City, won the Des Moines club best of show award with an odd and curious display.

Exhibit winners among the 65 exhibits in the 10 competitive display categories were: U. S. copper: H. W. Montgomery, Garner, first; Oliver Horton, Washington, Ill., second, and Delmer Commer, Des Moines, third.

U. S. silver: Horton, first; Andrew Klitgaard, Harlan, second, and Harry Peters, Kanawha, third. Gold: Klitgaard, first; J. M. Pugh, Austin, Minn., second, and Donald Jensen, Humboldt, third.

Paper money: E. W. Cummings, Fairfield, first; John Hickman, Des Moines, second, and L. L. Owen, Adel, third. Canadian coins: Mrs. Irene Swanson, Des Moines, first; Montgomery, second, and Darrell Stoner, Altoona, third.

Odd and curious: Helen Morris, first, and Elmer Cobb, Des Moines, second. Ancient, before 1500 A.D.: Arnold Swanson, Des Moines, first; Cummings, second, and R. E. Greenwood, Glenwood, third.

World coins: Mullaney, first; Klitgaard, second, and Robert

Schlotterback, Dysart, third. Medals, tokens and miscellaneous: Lee Marsh, Keokuk, first; Douglas Watson, Iola, Wis., second, and Charles Delk, Des Moines, third.

Juniors: Tim Casey, Cedar Falls, first; David Heisterkamp, Cedar Falls, second, and Richard Hickman, Des Moines, third.

Among the noncompetitive exhibitions was a special display of counterfeit notes obtained from the U. S. Secret Service of the Treasury Department.

Also in the noncompetitive field was a paper money exhibit and "Crowns of the World" display by Mr. and Mrs. Philip Budd, president and secretary respectively of the INA.

Municipal Judge Ray Marri-son was the principal speaker at the INA banquet held in the grand ballroom of the hotel attended by 150 persons. The exhibit awards were presented at the banquet, Mrs. Cobb reports. Thirty dealers operated tables at the show.

Dean Oakes of A-A Coins, Iowa City, conducted an 800-lot auction including about 365 lots from the collection of an Iowa farmer who died in 1906. All the coins of the collection were dated from 1793 through 1906, and the farmer, with help of business friends, put together an unusually representative collection representing the coins of his time, Oakes said.

"This collection was housed in old cigar boxes and cigar box lids were cut out to hold the coins, permitting viewing from both sides, much like our present day coin holders.

"It is clear from the care-

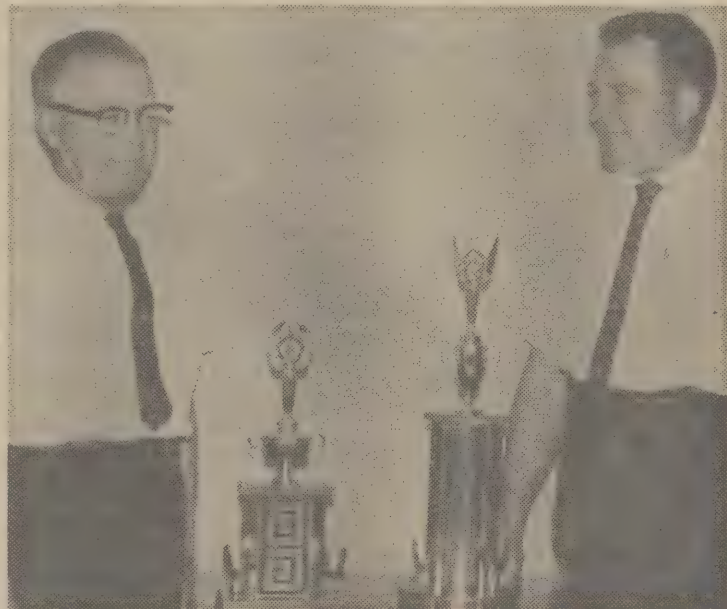

fully hand-hewn cigar box lids that housed the collection, that the farmer took great pride in his coins, even though he was unlikely to have been able to purchase the most expensive coins of his time," the Iowa City dealer continued.

Highlights of the auction, according to Mrs. Cobb, were the sale of an 1856 Flying Eagle cent in Proof for \$2,900, a 1783 one cent piece which sold for \$1,050, and an 1869 Indian head cent which sold for \$375.

Fort Dodge was selected as the site for the 1966 INA convention.

Officials for the convention were Bruce Dyer, chairman and master of ceremonies; Mrs. Cobb, convention secretary; Al Eidt, bourse; Elmer Cobb and Arnold Swanson, exhibits; Bob Good, Bob Rice and Walter Johnson, security; Mrs. Marie Kipper and Mrs. Art Nelson, registration and Mr. and Mrs. Raymond Rose and Mrs. Beverly Dyer, banquet.

Officers of the host club include Bruce Dyer, president; Bob Rice, vice president; Zelma Cobb, secretary, and Irene Murray, treasurer.

Elmer Cobb, left, cochairman of exhibits at the Iowa Numismatic Association Convention, and Bruce Dyer, president of Des Moines, Iowa, Coin Club, and convention chairman, look over the INA best of show trophy and the Des Moines Coin Club best of show trophy which were awarded at the recent three-day show hosted by the Des Moines club.

## ONE RARE COIN BRINGS \$2,900

An 1856 Flying Eagle proof one-cent piece was sold for \$2,900 at a rare coin auction Saturday afternoon at the Hotel Fort Des Moines.

Other high-priced coins were a 1783 one-cent piece, sold for \$1,050, and an 1869 Indian head penny for \$375.

The purchasers of the coins, all private Iowa collectors, declined to give their names because of the danger of theft.

The auction, held in conjunction with the Iowa Numismatic Association Convention this weekend, has drawn over 470 coin enthusiasts from as far away as Oklahoma as well as from the Midwest.

Dean Oakes, Iowa City coin dealer and collector, said the coins sold Saturday, about 365 lots, are those he acquired from a 60-year-old collection of a central Iowa farmer who died in 1906.

Included in today's auction at 1:30 p. m., Oakes said, will be several rare tokens—one of the most popular being a Civil War penny token made by the "New York Store" in Cedar Rapids which is expected to bring over \$30.

Des Moines Municipal Judge Ray Harrison spoke to the Numismatic Association members at a Saturday evening banquet.

During the banquet trophies were presented to winners of the coin exhibit contest.

Winners in the main categories were:

Best of Show—Paul Mullaney of St. Paul, Minn., with a set of Israeli coins and Mrs. Helene Morris of Forest City with odd and curious coins.  
U. S. Copper—W. H. Montgomery of Garner.  
U. S. Coins, General—Oliver Horton of Washington, Ill.  
Gold—Andrew Klitgaard of Harlan.  
Currency—E. W. Cummings of Fairfield.  
Canadian—Mrs. Irene Swanson of Des Moines.  
Junior Exhibit—Timothy Casey of Cedar Falls.

## What Do You Think?

Question: What is the biggest problem facing coin collectors today?  
(Answers obtained at Iowa Numismatic Association convention at Hotel Fort Des Moines)

Philip Budd, 61, of Fort Madison, switchman for the Santa Fe Railroad: "The biggest problem facing coin collectors is the Bible bill. It

was introduced in Congress by Senator Alan Bible of Nevada and was defeated, but I expect to see it re-introduced in another form. The bill provides for the elimination of coin collecting as a hobby by making it illegal to sell a coin for profit. The shortage of coins, I suppose, is why Bible introduced the bill.

Our problem is getting collectors to write to congressmen, asking the bill be defeated."

BUDD

Martin J. Pestotnik, 49, of Boone, locomotive engineer and tree surgeon: "I'd say the biggest problem today is for

young people who are starting their coin collections. Prices are somewhat inflated in certain areas and are getting out of reach of many young collectors who will be the nucleus of future coin clubs. They're beginning to collect foreign coins because American coins are priced so high. There are so many speculators and fly-by-night

profiteers in coin dealing that if a person doesn't know coins, he can be taken."

PESTOTNIK

Mrs. Arthur Nelson, 46, of Ames, housewife: "We have problems getting insurance for our

coin collections, but I think a bigger problem is that a lot of coins are being priced too high. Coins are being priced out of the range of the small collectors and beginning collectors. I think coin collecting is a wonderful hobby. We belong to five coin clubs and try to encourage young people through them. We try to get coins we can give them

to get them started. It's hard for them because prices are so high."

MRS. NELSON

Albert Eidt, 61, of 2135 Sixty-first st., Y. M. C. A. secretary: "I think it's the people

who are not real collectors, but who keep and buy coins because a speculator tells them to buy a coin and hang onto it for one year and double their money. I think coins are priced too high, but dealers have realized in the last six months that coin prices are way out of line, and prices have begun to level off. By the end of the year, I think coins

will be priced as they should be. Supply and demand in coins has a great deal to do with it."

## '66 Coin Club meeting here

The Fort Dodge Coin Club will host the 1966 Iowa Numismatic Association convention at Hotel Warden Sept. 16-18.

The convention will bring together coin collectors from the entire state with about 1,000 expected to attend.

Displays open to the public will feature bourse tables for those interested in buying or selling coins. Tom Nolan, Chicago, a nationally-known coin cutter for jewelry and keepsake items, will be present.

The Fort Dodge Coin Club, headed by Phil Nelson, has a membership of nearly 100 collectors from the area and meets the first Thursday of each month at the Air Guard Armory.

## Invite public to view coin displays here

Exhibits and sales tables at the Iowa Numismatic Association state convention are open to the public today until 10 p.m. and Sunday from 9 a.m. to 5 p.m.

Coin dealers from seven states have set up a bourse, or sales tables, in the Continental Room on the fourth floor of Hotel Warden. An auction session of coins began at 1:30 p.m. Saturday, and will be held again on Sunday at 1:30 p.m.

Special exhibits of collectors' displays of U.S. coins and other specialties such as foreign currency, ancient coins, gold pieces, medals and tokens are open for public viewing, also on the fourth floor of the hotel.

The annual convention is being hosted this year by the Fort Dodge Coin Club. Officers of the local club are Phil Nelson, president, Robert Lockwood, vice president; Jane Pitlor, secretary, and Frank Dayton, treasurer.

Awarding of trophies for the best exhibits was scheduled for 6 p.m. Saturday, following an informal buffet.

Sunday's activities will include an officer's breakfast at 8 a.m. and a business meeting of all Iowa Numismatic Association members at 10 a.m.

## Coin dealers display collections

Coin dealers from throughout the midwest set up displays in the Continental Room at Hotel Warden this past weekend during the convention of the Iowa Numismatic Association. One dealer came from as far away as

Las Vegas, Nev. Photo shows interested coin collectors looking over the displays that filled the hotel ballroom to capacity. Coins valued as high as \$5,000 were on display.

## Valuable coins

Bill Mertes (right), a Chicago coin dealer, holds two coins valued at \$5,000 and \$6,000 which he exhibited at Hotel Warden here last weekend during the Iowa Numismatic Association convention. At left is a U.S. \$4 gold coin, issued in 1879, and commonly referred to as a "Stella." It was minted for only two years and its value is now \$5,000. Coin that Mertes holds at right is a \$50 round California gold piece, minted by Wass Mollitor & Company in 1855 and valued at approximately \$6,000. Very few of them were minted and few are in existence.

### Iowa depression script

Don Jensen of Humboldt displays two pieces of script issued by Iowa towns during the depression days of 1933. The script was auctioned off at the Iowa Numismatic Association convention at Hotel Warden Sunday. Script shown is a \$1 note issued by the town of Bedford April 17, 1933; and a 50 cents note issued by town of Greenfield March 11, 1933. # Numismatists Plan Auction Of Iowa Depression Scrip

(The Register's Iowa News Service)

FORT DODGE, IA.—Iowans will be treated to an unusual look at their state's not-so-prosperous past Saturday and Sunday, Sept. 17 and 18, at the Iowa Numismatic Association's annual convention at Hotel Warden here.

Part of the convention will feature "Iowa Depression Scrip," which was issued in various Iowa communities in 1933 when the banks were closed and little money was in circulation.

During President Franklin D. Roosevelt's "bank holiday," scrip was issued in several Iowa communities to keep businesses going without much legal tender.

## Like Discount Coupons

The form and amount of scrip varied widely in different communities. In Ames, for example, a local "trade commission" issued certificates that look like modern-day detergent discount coupons. This scrip was redeemable for face value plus 3 per cent until Apr. 4, 1934.

In Adel, certificates were issued which required stamps on the back. Each time a dollar certificate of scrip was spent, the old owner and the receiver of the "dollar" had to paste a stamp costing three cents on the back of it and initial it. After one of these "dollars" had changed hands 36 times, it was "spent" and could be redeemed for \$1 in cash.

The most unusual scrip that will be shown at the convention is that issued by R. M. Lampman, former publisher of the Globe-Portrait and News in Grand Junction. These notes, which were each notarized with Lampman's signature, were endorsed on the back, like a check, each time they changed hands. They were backed up by Lampman's promise to pay after the banks reopened and he could get to his money.

Although the scrip is worth far more today than its face value of more than 30 years ago, it is difficult to determine just how much collectors will pay for it.

Dean Oakes, who operates A and A Coins in Iowa City, is arranging details for an auction of the scrip at the state convention. He says scrip is a "lot like Confederate money."

# Numismatic group sells Iowa script

Members of the Iowa Numismatic Association closed one of their most successful annual conventions at Hotel Warden in Fort Dodge Sunday with registrations reaching nearly the 1,000 mark.

A feature of Sunday's auction session was the sale of consignments of Iowa depression script. Dean Oakes, operator of the A and A Coins, Inc., of Iowa City, conducted the auction.

The script was issued by various cities and towns in Iowa during the depression days of 1933 and is now valued by coin collectors.

Prices for the script ranged from a low of \$9 to a top price of \$24. The script had been issued in 1933 by Adel, Ames, Bedford, Boone, Centerville, Clarinda, Grand Junction, Greenfield, Lake Mills, Lennox, Mason City, Nevada, Newton, Pella, West Burlington, Polk County, Rock Rapids.

Des Moines was selected for the 1967 state convention at the annual business session Sunday morning during which officers and directors were elected. Kenney Benedict, Clinton, was elected president of the numismatic group; Bill Otto, Ottumwa, was named first vice president; Dean Oakes, Iowa City, second vice president; and June Budd was re-elected secretary-treasurer.

Andrew Klitgaard, Harland, was elected a director to serve with four holdover directors—Leo R. Sears, Cedar Rapids; Golby C. Uhler, Jefferson, S.D.; Albert Eidt, Des Moines; and W. E. VanHook, Maxwell, historian.

Sales tables and exhibits were open Sunday until the convention closed at 5 p.m.

The fourth floor Continental Room at Hotel Warden was filled with displays by professional coin dealers from seven states. Host group for the convention was the Fort Dodge Coin Club.

Reading of the minutes of the last regular meeting and all intervening special meetings and the treasurers report were read and accepted.

Reports of the officers:

1st Vice President, Kenneth Benedict reported the format of the INA Bulletin has remained the same during 1966 and urged all members to send newspaper clippings of their clubs activities to the Historian, W. E. Van Hook. Mr. Benedict presented an artists drawing of a standard reverse of the INA Medal. Upon motion by Don Jensen, seconded by Leo Sears, the reverse was accepted. Lewis Ferguson suggested a printed dedication to Henri Ripstra be included with the medal.

A new "INA Best of Show" plaque is to be presented to corporate clubs having at least 10 INA members if request is made in writing to Mr. Ott.

President Philip Budd, reported 8 INA Best of Show Trophies had been sent to cooperated clubs in 1966 and 2 trophies are now on hand.

The following recommendations from the board of directors was accepted by motion of Lewis Ferguson and seconded by Dean Oakes.

## IOWA NUMISMATIC ASSOCIATION

INCORPORATED 1938

Feb 67

In a few days we should receive our new medals from Medallic Arts. The medals of course will have a new reverse with a hawk in flight within an outline of our state boundary. It should be a rather handsome collective piece. We placed an order for 250 Bronze and 100 Silver pieces. The Silver medals will be pure medal not plated.

In the preceding months through word of mouth and the bulletin media we have stressed the buying of these medals and in the process we have several orders acquired by our Sec-Treas. June Budd. I feel that we should not burden Mrs. Budd with the entire responsibility of the disposition of these medals. I have discussed the matter with her and decided that our Directors and myself act as outlets or assistants in their disposal. In other words if she has 4 or 5 orders from Des Moines members possibly our Director in Des Moines could see that these orders are filled himself by mail or delivery of some sort after acquiring a small bulk shipment himself. Also there is a thinking that perhaps people who belong to a club in our association could order them through the club and receive them from the club secretary. If a buyer feels he might to order direct from our Secretary that is his prerogative but at least we can try to discourage it as much as we can in order to alleviate the load from her. Along with other thinking possibly if you feel you can sell a few of them without orders we will be willing to allocate them to you on a conservative basis.

I might also add as a selling point to our members especially that if we should have to re-order more there is a strong possibility they will cost more money as we experienced difficulty in acquiring our initial amount at prices that can be sold as the price of the Bronze medal will be \$2.00 and the Silver medal will be \$5.00. A re-order might result in a price raise of an additional \$1.00 on each type.

72567

I am hoping you will honor my request about the medals and write to Mrs. Budd offering your services. Thanking you in advance for myself.

Another matter that I would like to bring to your attention is the fact we have lost one of our Directors, Mr. Golby Uhler. Golby was an attorney by profession and acted as the legal counsel for our association. I feel we should have a man to replace him as legal counsel as soon as possible. I know of no other member in our association who is an attorney but then again I do not know of the professions of very few of our members. I was wondering if you perhaps might know of a man in your own mind who could fill this position whether he is an association member (preferred) or a member of a coin club and may not belong to our group but could be asked to join and then perhaps be considered for the position. This is rather urgent as we have a committee working on the study of changes in updating our by-laws. I would appreciate you writing to me personally if you any thoughts on the matter.

Another small matter concerning a numismatic phase. A member of the Tri-City Coin Club who lives in Davenport called to ask me if our association would be willing to back a bill on the matter of putting Mint marks back on coins. The bill would be authored and introduced by Thomas Railback an Illinois congressman. I told him I would consider the request and would ask our Directors for their opinion, which would in force be an official stamp of the backing of our entire organization. There will be a meeting held in the near future in which Mr. Railback will be present and the thought being that perhaps we could round up a goodly number of our members to attend the meeting. I would appreciate you giving this some thought and give me your opinion.

There will other matters coming up fairly soon and I will let you know in advance as to when we could have a board meeting to take up some pressing matters before our fall convention. Hoping you are well and give my regards to yours and all our association friends in your particular area.

## Iowa Event To Feature Alaska Notes

What is reported as the finest known uncut sheet or rare National Bank notes from the First National Bank of Fairbanks, Alaska, will be shown at the annual Convention of the Iowa Numismatic Association when it is held in Des Moines, Iowa, on September 23 and 24 in the Hotel Savery.

Delmer J. Comer, president of the host Des Moines Coin Club, is also chairman. He said in 1935 National Banks issued their own paper money and the notes are still redeemable in U. S. currency, but are of greater numismatic value.

Comer stated the owners valued the uncut sheet in excess of \$5,000. Many other similar notes from other banks will also be shown by the note's owner, a local firm.

He said the general public is invited to attend to see these items as well as gold, silver and copper coins and tokens. He said it is expected this convention will be one of the finest ever held.

# IOWA NUMISMATIC ASSOCIATION

INCORPORATED 1938

*Jan 1968*

Dear Friend:

I am taking the liberty of calling for our spring Board of Directors meeting to be held at the Holiday Inn on February 24th, Saturday, in conjunction with the 5th Annual Mid-Iowa Coin-A-Rama in Ames, Iowa.

In calling this meeting at this particular time, which in a sense is an earlier date than past meetings for the reason it is a good show, it is centrally located, a good many people involved in our association activities will be in attendance, and it has been nearly six months since our fall convention meeting.

We will have several things to think about, discuss and possibly pass on. One of the items will be a discussion on agreeing on possible changes for standardizing exhibit and judging rules. Other items will be the election procedures for the coming election this fall, possibly some results on our visual slide program and any other miscellaneous problems that might have come up during the intervening time since our last meeting.

If, for some reason, possibly weather conditions that might develop at the time of the meeting whereas myself or others may not be able to attend, I will take the liberty of postponing it till a later date.

Looking for you to attend if at all possible, I thank you.

President

*Henry Benedict*

Please present this "letter to Exhibitors" at your January or February meeting and have any interested persons write to me by March 1, 1968.

# Attention Exhibitors:

I have been asked by the I.N.A. President, Henry Benedict, to seek readily and secure more information from Exhibitors on their ideas for exhibiting and judging at Iowa Coin Shows. The I.N.A. will endeavor to upgrade the judging of exhibits at the Iowa Coin Shows.

Appeal has been made up with an Iowa System for judging, so that each and every coin in Iowa would be judged on the same basis. If we can find qualified judges, or persons who would be interested in judging, to go by the rules and judge each exhibit on the same basis, limited only to the exhibit being judged, we could soon expect better exhibits at all shows.

If all judges use the same point system and use it, more exhibits can be expected to display more collections. If persons are willing to take the time to judge the exhibits, they would have a definite guide to go by.

As you know, the judging can be done two ways: on the category basis or on the non-category basis. (1) On the Category basis, there can be several classes of exhibits, with awards for each class. The classes used are never the same, as they vary at each show. Maybe your class isn't used, so you get out in a Miscellaneous Class, or maybe there is only one class for exhibits in a certain class, yet it wins a first place trophy, because it was the only exhibit. (2) On the Non-Category basis, you can still have as many classes of exhibits as the people want to exhibit and they could exhibit at any coin show, because each exhibit would be judged on the same basis. The exhibits having the highest number of points awarded by the three judges would be the winning exhibits regardless of whether it is coins, currency, medals, etc.

WHICH COIN SHOW PREFERENCE Number (1) or Number (2)?

I am listing four different point systems used by prominent numismatic organizations. Please write your preference or make up one of your own and send along. All items welcome!

If you are at a Coin Show and not exhibiting, would you be willing to serve as a judge? If so?

It is impossible for me to know everyone interested in exhibiting, so please pass this information along to other exhibitors and have them write to me. I would like to hear from as many people as soon as possible.

If the I.N.A. let the Spring Board meeting should adopt an Iowa System for judging, this information would be made available to every Club or I.N.A. member requesting it.

Iowa Coin Shows and Exhibits are some of the best. Let us work to make them even better. Let us bring this, encourage more people to become interested in displaying their collections.

# PROPOSED JUDGING & EXHIBIT RULE CHANGES:

I have been approached by different exhibitors in this past year relative to making standard rulings for our Iowa club shows. We had in the past adopted the A.N.A. Exhibit rulings but evidently not everyone was satisfied or wanted to make their own rules or did not have the A.N.A. rules available to them or just never bothered about them. I realize that I am going out on a limb suggesting a standard to adhere to but if it will help clear up some of so called confusion that so many exhibitors claim there is I will at least try to get something feasible lined up for everyone's consideration and benefit. I have appointed Eugene Morris, one of our Directors who is a long time exhibitor as a committee of one to come up with various proposals after having contacted leading exhibitors and other state associations about their ideas on exhibiting rulings. I think Gene has done a lot of work and research on this and done a real good job. He has compiled this information on a mimeograph sheet and has mailed the proposals to all the clubs and exhibitors he knows asking their opinions. We are hoping that all parties receiving them will in turn write back to Gene what they think in order to give the Board of Directors an idea what could be done to clarify or simplify the situation. Along with this the newly adopted A.N.A. rules will also be given careful consideration. If the board should adopt a new set of rulings at our spring meeting we are hoping that it will be used 100% to be affective. There is a possibility we may require the use of these rulings in order to qualify for the I.N.A. Best of Show trophy. To sum it up in finale, I know we won't be able to satisfy everyone but lets have a uniformity to show other organizations that we are proud of our Iowa Exhibiting which is second to none in any field in the U.S. Anyone wishing a copy of these mimeographed proposals please contact Eugene Morris, Box 467, Forest City, Iowa, 50436.

March April 1968

A report on the survey on Judging rules was made by Eugene Morris. The highest percentage favored the point system, #2

Numismatic Information . . . . .	35 points
Arrangement and originality . . . . .	30 points
Comparative completeness with respect to the range and scope of exhibit . . . . .	15 points
Comparative conditions . . . . .	10 points
Rarity and/or value . . . . .	10 points
TOTAL	100 points

Also the non-category over the category classifications were the most favorable. Suggestions included that if a display did not receive at least 60 points, the exhibitor would not be eligible for an award. This survey was merely taken for the purpose of passing on to the coin clubs, thoughts were expressed by members of the INA, Exhibitors and Coin Club Officers. These suggestions are in no binding or suggested by the INA that any club follow these suggestions. The INA will follow the ANA judging rules at the State Convention as was voted in 1965.
